PREFACE

Adoption

Senate Bill No. 1, adopting the Montana Code Annotated (cited "MCA"), was passed by the 1979 Legislature and became effective January 10, 1979. That bill became Chapter 1, Laws of 1979. The provisions of law relating to recodification are found in Title 1, chapter 11, MCA.

Codification

The MCA is a compilation of existing general and permanent law, including the acts of the 59th Legislature of 2005 in regular session. Appropriation acts, resolutions, and laws temporary or special in character, such as repealing, validating, severability, or effective date clauses, are not codified. A list of R.C.M. 1947 sections not codified may be found in the *Table of Corresponding Code Sections*, R.C.M. 1947 to MCA, available upon request, which provides the disposition of all R.C.M. 1947 sections.

Arrangement

The Montana Code Annotated is arranged topically. This feature distinguishes the MCA from the 1947 code, in which the titles were arranged alphabetically. The user of the MCA will find titles that relate closely to one another logically and topically grouped in the code. Continuous rearrangement designed to maintain an orderly and logical arrangement is a permanent feature of the code under authority of section 1-11-204(3)(a)(ii), MCA.

Numbering System

The code uses a three-element numbering system. The number to the far left designates the title number, the number between the hyphens designates the chapter number, and the number to the right designates the part and section number. Thus, 1-2-305 indicates Title 1, chapter 2, part 3, section 5. Numbering is sequential, but numbers within chapters and parts and between titles have been skipped (reserved) to leave room for future expansion.

Editorial Changes

During the continuing recodification process, the Legislative Services Division staff screens statutes for obsolescence, conflicts, unconstitutionality, and incorrect grammar, spelling, capitalization, punctuation, numbering, and outlining.

Changes in style that can be made in the text without changing the substance of the law are incorporated by the staff during codification. Errors, inconsistencies, and unconstitutional statutes that were discovered have been corrected by bills introduced in the 1977, 1979, 1981, 1983, 1985, 1987, 1989, 1991, 1993, 1995, 1997, 1999, 2001, 2003, and 2005 legislative sessions at the request of the Code Commissioner.

During the initial recodification process, nonsubstantive changes were made in the following areas:

(1) *Punctuation.* Being heavily laden with commas, the 1947 code did not conform with the more modern "open" style of punctuation that uses commas sparingly. The modern style allowed deletion of an average of five commas per section and more than 125,000 commas from the new code with no change in meaning, but with clarity enhanced.

(2) *Spelling.* The staff corrected obvious misspellings and updated archaic spellings with preferred spellings according to Webster's New World Dictionary.

(3) *Grammatical Construction.* There were three types of corrections that were made often under this category: making a pronoun agree with its antecedent in number, gender, and person; changing "nor" to "or"; and changing a verb to agree in number with the subject of a sentence.

(4) *Internal Numbering.* A uniform system of numbering internal paragraphs in a section was used: (1)(2)(3), (a)(b)(c), (i)(ii)(iii), (A)(B)(C). Thus, if the R.C.M. section began with "(a)(b)(c)", it was changed to "(1)(2)(3)".

(5) "*This Act*". The term "this act" was used thousands of times in the R.C.M. During recodification, "act" was changed wherever possible to a more precise term, such as "title",

"chapter", "part", or "section". The original act was studied to determine exactly to which statutes the words "this act" applied, and the appropriate references were then substituted.

(6) *Effective Date.* The calendar date was inserted whenever possible for expressions such as "the effective date of this act", "passage and approval", or "hereafter".

(7) *Changes or Insertions Because of Rearrangement.* Language was inserted or changed whenever necessitated by rearrangement.

(8) *Redundancy.* Redundant words were eliminated.

(9) *Obsolete or Inaccurate References to Offices or Agencies.* There were many code sections needing changes because later acts affected names and terminology. For instance, the Executive Reorganization Act of 1971 abolished or renamed hundreds of offices and agencies. The recodification staff members searched the code for references to abolished or renamed offices and agencies. They also studied any amendments made between 1971 and 1977 that made further changes in the Executive Branch. After careful study to determine the law, the language was changed during the recodification process to reflect the current legal status of all affected offices or agencies.

Code Commissioner Reports

All changes, other than punctuation, capitalization, and spelling, made by the staff during the initial recodification are reported in the *Official Report of the Montana Code Commissioner* contained in the unnumbered volume of the 1978 MCA (red edition). Following each legislative session, all such changes made since the last report are reported and published in annotations, Vol. 1 (see section 1-11-204(3)(a)(iii), MCA).

Effect of Changes

No presumption of legislative construction is to be drawn from the MCA code arrangement (section 1-11-103, MCA). In case of inconsistencies resulting from omissions or other errors in codification, the version of the official enrolled bill on file with the Secretary of State will prevail. Codification does not change the law, and the effect of each statute is the same as when originally enacted. Because the Code Commissioner has no legislative power, there can be no change in the law without legislative sanction. The function of codification is to organize law, not to change law.

Contents

(1) *Constitution and Rules of Court.* The code as adopted by Chapter 1, Laws of 1979, consists only of statute text and histories. The 1972 Montana Constitution, the Montana Rules of Civil Procedure, the Montana Rules of Appellate Procedure, the Montana Rules of Evidence, the Montana Uniform District Court Rules, the Montana Justice and City Court Rules of Civil Procedure, and the Montana Uniform Municipal Court Rules of Appeal to District Court are printed with the code for the convenience of the user.

(2) *Compiler's Comments.* Compiler's comments related to 2004 and 2005 amendments and to certain significant earlier changes are printed with the code. Amendment notes contain the effective date of the amendment (see section 1-2-201, MCA). Earlier amendment notes have been transferred to the annotations. Compiler's comments related to other items of permanent significance are contained in the annotations (see the preface in any volume of the annotations).

(3) *Histories.* The user is cautioned to note that the reported history of each section in the MCA brought forward from the former code is the same history of the section as it appeared in the old code. When an R.C.M. section was split into several MCA sections, the history may be confusing or even misleading. To redo all histories to have them coincide exactly with MCA sections would have been nearly impossible. Legislative histories begin with the Bannack Statutes of 1864-65. References to the California Code and the Field Code of New York are also included because those codes are the source of Montana's 1892 Civil Code.

Legislative action taken since the 1979 recodification has been added to the end of the history.

Section 11. Bills. (1) A law shall be passed by bill which shall not be so altered or amended on its passage through the legislature as to change its original purpose. No bill shall become law except by a vote of the majority of all members present and voting.

(2) Every vote of each member of the legislature on each substantive question in the legislature, in any committee, or in committee of the whole shall be recorded and made public. On final passage, the vote shall be taken by ayes and noes and the names entered on the journal.

(3) Each bill, except general appropriation bills and bills for the codification and general revision of the laws, shall contain only one subject, clearly expressed in its title. If any subject is embraced in any act and is not expressed in the title, only so much of the act not so expressed is void.

(4) A general appropriation bill shall contain only appropriations for the ordinary expenses of the legislative, executive, and judicial branches, for interest on the public debt, and for public schools. Every other appropriation shall be made by a separate bill, containing but one subject.

(5) No appropriation shall be made for religious, charitable, industrial, educational, or benevolent purposes to any private individual, private association, or private corporation not under control of the state.

(6) A law may be challenged on the ground of noncompliance with this section only within two years after its effective date.

(1) Each bill passed by the legislature, except bills proposing amendments to the Montana constitution, bills ratifying proposed amendments to the United States constitution, resolutions, and initiative and referendum measures, shall be submitted to the governor for his signature. If he does not sign or veto the bill within 10 days after its delivery to him, it shall become law. The governor shall return a vetoed bill to the legislature with a statement of his reasons therefor.

(2) The governor may return any bill to the legislature with his recommendation for amendment. If the legislature passes the bill in accordance with the governor's recommendation, it shall again return the bill to the governor for his reconsideration. The governor shall not return a bill for amendment a second time.

(3) If after receipt of a veto message, two-thirds of the members of each house present approve the bill, it shall become law.

(4) (a) If the legislature is not in session when the governor vetoes a bill approved by two-thirds of the members present, he shall return the bill with his reasons therefor to the secretary of state. The secretary of state shall poll the members of the legislature by mail and shall send each member a copy of the governor's veto message. If two-thirds or more of the members of each house vote to override the veto, the bill shall become law.

(b) The legislature may reconvene as provided by law to reconsider any bill vetoed by the governor when the legislature is not in session.

(5) The governor may veto items in appropriation bills, and in such instances the procedure shall be the same as upon veto of an entire bill.

Part 1
General Provisions

1-2-101. Role of the judge — preference to construction giving each provision meaning. In the construction of a statute, the office of the judge is simply to ascertain and declare what is in terms or in substance contained therein, not to insert what has been omitted or to omit what has been inserted. Where there are several provisions or particulars, such a construction is, if possible, to be adopted as will give effect to all.

1-2-102. Intention of the legislature — particular and general provisions. In the construction of a statute, the intention of the legislature is to be pursued if possible. When a general and particular provision are inconsistent, the latter is paramount to the former, so a particular intent will control a general one that is inconsistent with it.

Cross-References

1-2-103. Statutes in derogation of the common law — liberal construction. The rule of the common law that statutes in derogation thereof are to be strictly construed has no application to the statutes of the state of Montana. The statutes establish the law of this state respecting the subjects to which they relate, and their provisions and all proceedings under them are to be liberally construed with a view to effect their objects and to promote justice.

1-2-104. Preference to construction favoring natural right. When a statute is equally susceptible of two interpretations, one in favor of natural right and the other against it, the former is to be adopted.

(1) The present tense includes the future as well as the present.

(2) Words used in the masculine gender include the feminine and neuter.

1-2-108. Reference to other titles, chapters, parts, sections, or subsections — subsequent amendments. (1) A statute which refers to a title, chapter, part, section, or subsection number without further identification or attribution is presumed, unless the context clearly indicates otherwise, to refer to a title, chapter, part, section, or subsection of the Montana Code Annotated.

(2) A specific or implied reference to a title, chapter, part, section, or subsection of the Montana Code Annotated is presumed to be a reference to that title, chapter, part, section, or subsection as it may be amended or changed from time to time. This presumption may be overcome only by a clear showing that a subsequent amendment or change in the title, chapter, part, section, or subsection is inconsistent with the continued purpose or meaning of the section referring to it.

(3) The presumption contained in subsection (2) applies retroactively as well as prospectively to any reference to a title, chapter, part, section, or subsection of the Montana Code Annotated, regardless of when the reference was created.

1-4-101. Role of the judge — preference to construction giving each provision meaning. In the construction of an instrument, the office of the judge is simply to ascertain and declare what is in terms or in substance contained therein, not to insert what has been omitted or to omit what has been inserted. Where there are several provisions or particulars, such a construction is, if possible, to be adopted as will give effect to all.

1-4-102. Consideration of circumstances surrounding execution. For the proper construction of an instrument, the circumstances under which it was made, including the situation of the subject of the instrument and of the parties to it, may also be shown so that the judge be placed in the position of those whose language he is to interpret.

1-4-103. Intention of the parties — particular and general provisions. In the construction of an instrument, the intention of the parties is to be pursued if possible. When a general and particular provision are inconsistent, the latter is paramount to the former so a particular intent will control a general one that is inconsistent with it.

Part 1
General Provisions

1-11-101. Definitions. As used in this chapter, the following definitions apply:

(1) "Code" or "codes" means the Montana Code Annotated, which is a reenactment of the Revised Codes of Montana, 1947, as provided in 1-11-103.

(2) "Recodify" means to compile, arrange, rearrange, and prepare for publication. It includes, without changing the meaning, effect, or intent of any law:

(a) correcting or changing punctuation, capitalization, spelling, grammatical construction, and numbering as required by uniform literary and bill drafting practice;

(b) substituting the appropriate new code division reference for reference to a section of, to a part of, or to an entire "act";

(c) substituting calendar date for "effective date", "hereafter", and similar terms;

(d) creating new titles, chapters, parts, sections, or other divisions of the code;

(e) changing or inserting language made necessary because of rearrangement;

(f) eliminating redundant words;

(g) when given direction or authority by another statute, correcting inaccurate or obsolete references to:

(i) titles of officers or agencies, such as those changed by executive reorganization statutes;

(ii) other code sections, such as those that have been repealed or repealed and replaced;

(h) changing inaccurate terminology to comply with statutory definitions or short form amendments;

(i) changing or creating section captions (catchlines) to clearly reflect the content of the section, unless the section captions are specifically and expressly adopted as part of the law by the legislature.

History: En. 12-501 by Sec. 1, Ch. 419, L. 1975; amd. Sec. 1, Ch. 1, L. 1977; R.C.M. 1947, 12-501; amd. Sec. 1, Ch. 575, L. 1981; amd. Sec. 1, Ch. 292, L. 1995; amd. Sec. 1, Ch. 42, L. 1997.

1-11-102. Name — citation — correct form. (1) The recodified laws are known as the "Montana Code Annotated" and may be cited as "MCA".

(2) An example of the correct citation form for a section of the Montana Code Annotated is "1-11-102, MCA".

History: En. 12-504 by Sec. 4, Ch. 419, L. 1975; R.C.M. 1947, 12-504; amd. Sec. 10, Ch. 119, L. 1979; amd. Sec. 1, Ch. 114, L. 2003.

1-11-103. Effect of Montana Code Annotated — official version. (1) The Montana Code Annotated is a reenactment of the Revised Codes of Montana, 1947, and the supplements thereto.

(2) The enactment of the Montana Code Annotated may not:

(a) revive a law repealed or superseded before the effective date of the Montana Code Annotated;

(b) affect an act done, right accrued, or obligation incurred or imposed by law prior to the effective date of the Montana Code Annotated;

(c) affect any action, suit, or proceeding pending on the effective date of the Montana Code Annotated;

(d) repeal statutes of a nongeneral, nonpermanent nature, such as severability, construction, validating, repealing, or similar statutes, omitted from the Montana Code Annotated.

(3) The Montana Code Annotated must be given effect as a continuation of the Revised Codes of Montana and not as a new enactment. A defect in title of any act set out in prior laws and reenacted by the Montana Code Annotated is cured by the enactment of the Montana Code Annotated.

(4) No implication or presumption of legislative construction is to be drawn from the classification or arrangement of the Montana Code Annotated.

(5) Unless specifically and expressly adopted as part of the law by the legislature, annotations, code commissioner notes, catchlines, or other editorial material included in the Montana Code Annotated may not be construed as part of the legislative text but are only for the purpose of convenience, orderly arrangement, and information.

(6) After enactment, the Montana Code Annotated, including all subsequent replacement volumes, is prima facie the official laws of Montana. In case of any inconsistency in meaning arising through omission or otherwise between the provisions of the Montana Code Annotated and the corresponding portion of the official enrolled bill on file with the secretary of state, effect must be given to the official enrolled bill.

(7) The Montana Code Annotated, prepared in accordance with part 3, is the official version of the statutes of Montana. The official version of the statutes is the only publication of the statutes that may be used in public documents. This subsection is not intended to interfere with the supreme court's authority to adopt rules of evidence pursuant to Article VII, section 2, of the Montana constitution.

The state reserves jurisdiction in the enforcement of state laws relating to the duties of the department of livestock and the department of environmental quality and the enforcement of any regulations promulgated by the departments in accordance with the laws of the state.

Jurisdiction does not vest until the United States, through the proper officers, files an accurate map or plat and description by metes and bounds of the lands in the office of the county clerk and recorder of the county in which the lands are situated. If the lands are within the corporate limits of any city, the map or plat must also be filed in the office of the city clerk of the city. Part 4
Federal Mandates Act

2-1-401. Short title. This part may be cited as the “Federal Mandates Act”.

History: En. Sec. 1, Ch. 385, L. 1995.

2-1-402. Legislative declaration. (1) (a) In enacting this part, the legislature employs its legislative authority to establish that the people of the state of Montana, acting through their elected officials in state government, have the responsibility and authority to establish policy in and for Montana pertaining to federal programs mandated in federal statutes.

(b) The intent of the legislature is to ensure the primacy of the state of Montana’s legal and political authority to implement in and for Montana the policy mandated by federal statutes and to vigorously challenge and scrutinize the extent and scope of authority asserted by federal executive branch agencies when federal agency actions and interpretations are inconsistent with Montana policy and exceed the lawful authority of the federal government or are not required by federal law.

(c) In this regard, the Montana legislature finds and declares that:

(i) the power to implement federal policies in and for Montana is central to the ability of the people of Montana to govern themselves under a federal system of government; and

(ii) any implementation of federal policies in and for Montana by federal executive branch agencies that is contrary to fundamental notions of federalism and self-determination must be identified and countered.

(2) The legislature further finds and declares that:

(a) there is an urgent need to modify federal mandates because the implementation of these mandates by the state wastes the financial resources of local governments, the citizens of Montana, and the state and does not properly respect the rights of local governments, citizens, and the state;

(b) the state government has an obligation to the public to do what is necessary to protect the rights of Montana citizens under federal law while minimizing or eliminating any additional cost or regulatory burden on any citizen of the state;

(c) the 10th amendment to the United States constitution directs that powers that are not delegated to the United States are reserved to the states or to the people. Montana, as one of the sovereign states within the union, has constitutional authority to enact laws protecting the environment of the state and safeguarding the public health, safety, and welfare of the citizens of Montana. However, this authority has too often been ignored by the federal government. The federal government has intruded more and more into areas that must be left to the states. It is essential that the dilution of the authority of state and local governments be halted and that the provisions of the 10th amendment be accorded proper respect.

(d) current federal regulatory mandates, as reflected in federal administrative regulations, guidelines, and policies, often do not reflect the realities of the Rocky Mountain region, and federal regulators frequently do not understand the needs and priorities of the citizens of Montana;

(e) the citizens of this state can create and wish to create innovative solutions to Montana’s problems, but the current manner in which legal challenges to state policies and federal programmatic substitutions of state programs are handled does not allow the state the flexibility it needs. It is not possible for the state of Montana to effectively and efficiently implement the provisions of federal statutes unless the burden to prove the insufficiency of the state's efforts to implement federal requirements is shifted to the person or agency who asserts the insufficiency.

(f) the provisions of this part will better balance the exercise of the powers of the federal government and the powers reserved to the states. In addition, the application of this part ultimately will bring about greater protection for the state and the nation because it will direct the state to implement federal statutes at the least possible cost and will make more money available for other needs.

(g) the purpose of this part is to ensure that federal mandates existing on or adopted after April 12, 1995, that are implemented in Montana comply with state policy as established by the legislature;

(h) nothing in this part may be construed to create a private cause of action.

History: En. Sec. 2, Ch. 385, L. 1995.

2-1-403. Definitions. As used in this part, unless the context otherwise requires, the following definitions apply:

(1) "Federal statute" means a federal statute that is in accord with the United States constitution and that imposes mandates on state or local governments.

(2) "Legislative council" means the statutory committee established in 5-11-101.

History: En. Sec. 3, Ch. 385, L. 1995.

2-1-404. State programs to implement federal statutes. (1) A state official or employee charged with the duty of implementing a federal statute shall implement the law as required by the federal statute in good faith and with a critical view toward the provisions of any federal regulation, guideline, or policy in order to identify those provisions of any federal regulation, guideline, or policy that are inconsistent with Montana policy or do not advance Montana policy in a cost-effective manner.

(2) An executive branch agency of state government that is authorized to develop a state program to respond to any mandates contained in a federal statute shall develop the state program and promulgate any necessary rules, using the following criteria:

(a) State programs should be developed by the state agency to meet the requirements of federal statutes in good faith and with a critical view toward any federal regulations, guidelines, or policies.

(b) State programs should be developed with due consideration of the financial restraints of local governments, the citizens of Montana, and the state, including the limitation imposed by Article VIII, section 9, of the Montana constitution.

(c) A state program that implements the goals of the federal statute should provide for the most efficient method possible, with careful consideration given to the cost of the program and the impact of the program on local governments and Montana citizens and on the long-range public health, safety, and welfare of citizens of the state.

History: En. Sec. 4, Ch. 385, L. 1995.

2-1-405. Requirement for budget recommendation — reporting on federal mandates — savings. Prior to recommending to the legislature a budget for a state agency that is charged with implementing federal mandates, the governor shall require that the state agency provide information regarding any monetary savings for the state and any reduction in regulatory burdens on local governments and on the public that could be or have been achieved through the development of state policies that meet the intent of applicable federal statutes but do not necessarily follow all applicable federal regulations, guidelines, or policies. The state agency shall also provide advice to the governor regarding any changes in state statutes that are necessary to provide the state agency the authority to implement state policies in such a way as to create additional savings or greater reductions in regulatory burdens. The governor shall review and compile the information received from state agencies pursuant to this section and shall include recommendations in the governor's budget based upon the information.

History: En. Sec. 5, Ch. 385, L. 1995.

2-1-406. Information regarding federal mandates. (1) The information prepared pursuant to 2-1-405 must be received by the governor prior to the governor's preparation of the state budget for the ensuing biennium. The governor may prepare additional requests for information to follow up and obtain further details regarding the initial responses that were received.

(2) In considering the legality or cost-effectiveness of a federal mandate, federal statute, or state program, the governor may request assistance from the legislative council or its staff, but assistance is at the discretion of the legislative council.

History: En. Sec. 6, Ch. 385, L. 1995.

2-1-407. Report — recommendations. (1) The governor shall examine the information received pursuant to 2-1-405 and, based upon the information, shall present a report to the legislature meeting in its next regular session that includes the following:

(a) recommendations regarding contracts that the state may enter into with specified persons or entities to conduct research, to analyze certain subjects, or to provide other services regarding federal mandates; and

(b) estimates of the cost of the federal mandate efforts submitted to the governor under the provisions of 2-1-405.

(2) If there is a finding that a federal mandate does not meet Montana's cost-effective needs, does not serve Montana public policy, or does not conform to Montana customs and culture, the governor may issue an executive order declaring the intention of Montana to not implement the mandate and may direct the attorney general to vigorously represent the state of Montana in any action that results from or that is necessary to effect the executive order.

History: En. Sec. 7, Ch. 385, L. 1995.

2-1-408. Legislative review and oversight. (1) In exercising its authority as an equal branch of state government, the legislature may conduct any legal review or fiscal analysis that it considers necessary to effect the purpose and intent of this part. The governor, the director or chief executive officer of any agency within the executive branch, or any officer listed in Article VI, section 1, of the Montana constitution shall, upon request by the legislature, immediately provide any information prepared, compiled, developed, detailed, described, referenced, analyzed, reported, or in any other manner considered in conjunction with this part.

2-2-101. Statement of purpose. The purpose of this part is to set forth a code of ethics prohibiting conflict between public duty and private interest as required by the constitution of Montana. The provisions of this part recognize that some actions are conflicts per se between public duty and private interest while other actions may or may not pose such conflicts depending upon the surrounding circumstances.

(1) (a) A person alleging a violation of this part by a state officer, legislator, or state employee may file a complaint with the commissioner of political practices. The commissioner does not have jurisdiction for a complaint concerning a legislator if a legislative act is involved in the complaint. The commissioner also has jurisdiction over complaints against a county attorney that are referred by a local government review panel pursuant to 2-2-144 or filed by a person directly with the commissioner pursuant to 2-2-144(6). The commissioner may request additional information from the complainant or the person who is the subject of the complaint to make an initial determination of whether the complaint states a potential violation of this part.

(b) The commissioner may dismiss a complaint that is frivolous, does not state a potential violation of this part, or does not contain sufficient allegations to enable the commissioner to determine whether the complaint states a potential violation of this part. If the issues presented in a complaint have been addressed and decided in a prior decision and the commissioner determines that no additional factual development is necessary, the commissioner may issue a summary decision without holding an informal contested case hearing on the complaint.

(c) Except as provided in subsection (1)(b), if the commissioner determines that the complaint states a potential violation of this part, the commissioner shall hold an informal contested case hearing on the complaint as provided in Title 2, chapter 4, part 6. The commissioner shall issue a decision based upon the record established before the commissioner.

(2) If the commissioner determines that a violation of this part has occurred, the commissioner may impose an administrative penalty of not less than $50 or more than $1,000, and if the violation was committed by a state employee, the commissioner may also recommend that the employing state agency discipline the employee. The employing entity of a state employee may take disciplinary action against an employee for a violation of this part, regardless of whether the commissioner makes a recommendation for discipline. The commissioner may assess the costs of the proceeding against the person bringing the charges if the commissioner determines that a violation did not occur or against the officer or employee if the commissioner determines that a violation did occur.

(3) A party may seek judicial review of the commissioner's decision, as provided in chapter 4, part 7, of this title, after a hearing, a dismissal, or a summary decision issued pursuant to subsection (1)(b).

(4) Except for records made public in the course of a hearing held under subsection (1) and records that are open for public inspection pursuant to Montana law, a complaint and records obtained or prepared by the commissioner in connection with an investigation or complaint are confidential documents and are not open for public inspection. The complainant and the person who is the subject of the complaint shall maintain the confidentiality of the complaint and any related documents released to the parties by the commissioner until the commissioner issues a decision. However, the person who is the subject of a complaint may waive, in writing, the right of confidentiality provided in this subsection. If a waiver is filed with the commissioner, the complaint and any related documents must be open for public inspection. The commissioner's decision issued after a hearing is a public record open to inspection.

(5) When a complaint is filed, the commissioner may issue statements or respond to inquiries to confirm that a complaint has been filed, to identify against whom it has been filed, and to describe the procedural aspects and status of the case.

(6) The commissioner may adopt rules to carry out the responsibilities and duties assigned by this part.

(1) Except as provided in subsections (5) and (6), a person alleging a violation of this part by a local government officer or local government employee shall notify the county attorney of the county where the local government is located. The county attorney shall request from the complainant or the person who is the subject of the complaint any information necessary to make a determination concerning the validity of the complaint.

(2) If the county attorney determines that the complaint is justified, the county attorney may bring an action in district court seeking a civil fine of not less than $50 or more than $1,000. If the county attorney determines that the complaint alleges a criminal violation, the county attorney shall bring criminal charges against the officer or employee.

(3) If the county attorney declines to bring an action under this section, the person alleging a violation of this part may file a civil action in district court seeking a civil fine of not less than $50 or more than $1,000. In an action filed under this subsection, the court may assess the costs and attorney fees against the person bringing the charges if the court determines that a violation did not occur or against the officer or employee if the court determines that a violation did occur. The court may impose sanctions if the court determines that the action was frivolous or intended for harassment.

(4) The employing entity of a local government employee may take disciplinary action against an employee for a violation of this part.

(5) (a) A local government may establish a three-member panel to review complaints alleging violations of this part by officers or employees of the local government. The local government shall establish procedures and rules for the panel. The members of the panel may not be officers or employees of the local government. The panel shall review complaints and may refer to the county attorney complaints that appear to be substantiated. If the complaint is against the county attorney, the panel shall refer the matter to the commissioner of political practices and the complaint must then be processed by the commissioner pursuant to 2-2-136.

(b) In a local government that establishes a panel under this subsection (5), a complaint must be referred to the panel prior to making a complaint to the county attorney.

(6) If a local government review panel has not been established pursuant to subsection (5), a person alleging a violation of this part by a county attorney shall file the complaint with the commissioner of political practices pursuant to 2-2-136.

(d) "former employee" does not include a person whose employment with the state was involuntarily terminated because of a reduction in force or other involuntary termination not involving violation of the provisions of this chapter.

2-3-102. Definitions. As used in this part, the following definitions apply:

(1) "Agency" means any board, bureau, commission, department, authority, or officer of the state or local government authorized by law to make rules, determine contested cases, or enter into contracts except:

(a) the legislature and any branch, committee, or officer thereof;

(b) the judicial branches and any committee or officer thereof;

(c) the governor, except that an agency is not exempt because the governor has been designated as a member thereof; or

(d) the state military establishment and agencies concerned with civil defense and recovery from hostile attack.

(2) "Agency action" means the whole or a part of the adoption of an agency rule, the issuance of a license or order, the award of a contract, or the equivalent or denial thereof.

(3) "Rule" means any agency regulation, standard, or statement of general applicability that implements, interprets, or prescribes law or policy or describes the organization, procedures, or practice requirements of any agency. The term includes the amendment or repeal of a prior rule but does not include:

(a) statements concerning only the internal management of an agency and not affecting private rights or procedures available to the public; or

(b) declaratory rulings as to the applicability of any statutory provision or of any rule.

However, the agency may not take action on any matter discussed unless specific notice of that matter is included on an agenda and public comment has been allowed on that matter. Public comment received at a meeting must be incorporated into the official minutes of the meeting, as provided in 2-3-212.

(b) For purposes of this section, "public matter" does not include contested case and other adjudicative proceedings.

(2) The governor shall ensure that each board, bureau, commission, department, authority, agency, or officer of the executive branch of the state adopts coordinated rules for its programs. The guidelines must provide policies and procedures to facilitate public participation in those programs, consistent with subsection (1). These guidelines must be adopted as rules and published in a manner so that the rules may be provided to a member of the public upon request.

(1) The attorney general shall prepare a model form for a rule describing the organization of agencies and model rules of practice for agencies to use as a guide in fulfilling the requirements of 2-4-201. The attorney general shall add to, amend, or revise the model rules from time to time as he considers necessary for the proper guidance of agencies.

(2) The model rules and additions, amendments, or revisions thereto shall be appropriate for the use of as many agencies as is practicable and shall be filed with the secretary of state and

provided to any agency upon request. The adoption by an agency of all or part of the model rules does not relieve the agency from following the rulemaking procedures required by this chapter.

2-4-302. Notice, hearing, and submission of views. (1) Prior to the adoption, amendment, or repeal of any rule, the agency shall give written notice of its intended action. The notice must include a statement of either the terms or substance of the intended action or a description of the subjects and issues involved, the reasonable necessity for the intended action, and the time when, place where, and manner in which interested persons may present their views on the intended action. The reasonable necessity must be written in plain, easily understood language. If the agency proposes to adopt, increase, or decrease a monetary amount that a person shall pay or will receive, such as a fee, cost, or benefit, the notice must include an estimate, if known, of:

(a) the cumulative amount for all persons of the proposed increase, decrease, or new amount; and

(b) the number of persons affected.

(2) (a) The notice must be filed with the secretary of state for publication in the register, as provided in 2-4-312, and mailed within 3 days of publication to the sponsor of the legislative bill that enacted the section that is cited as implemented in the notice if the notice is the initial proposal to implement the section, to interested persons who have made timely requests to the agency to be informed of its rulemaking proceedings, and to the office of any professional, trade, or industrial society or organization or member of those entities who has filed a request with the appropriate administrative rule review committee when the request has been forwarded to the agency as provided in subsection (2)(b). Each agency shall create and maintain a list of interested persons and the subject or subjects in which each person on the list is interested. A person who submits a written comment or attends a hearing in regard to proposed agency action under this part must be informed of the list by the agency. An agency complies with this subsection if it includes in the notice an advisement explaining how persons may be placed on the list of interested persons and if it complies with subsection (7).

(b) The appropriate administrative rule review committee shall forward a list of all organizations or persons who have submitted a request to be informed of agency actions to the agencies that the committee oversees that publish rulemaking notices in the register. The list must be amended by the agency upon request of any person requesting to be added to or deleted from the list.

(c) The notice required by subsections (1) and (2)(a) must be published and mailed at least 30 days in advance of the agency's intended action. In addition to publishing and mailing the notice under subsection (2)(a), the agency shall post the notice on a state electronic access system or other electronic communications system available to the public.

(d) The agency shall also, at the time that its personnel begin to work on the substantive content and the wording of the initial rule proposal to implement one or more statutes, notify the sponsor of the legislative bill that enacted the section.

(3) If a statute provides for a method of publication different from that provided in subsection (2), the affected agency shall comply with the statute in addition to the requirements contained in this section. However, the notice period may not be less than 30 days or more than 6 months.

(4) Prior to the adoption, amendment, or repeal of any rule, the agency shall afford interested persons at least 20 days' notice of a hearing and at least 28 days from the day of the original notice to submit data, views, or arguments, orally or in writing. If an amended or supplemental notice is filed, additional time may be allowed for oral or written submissions. In the case of substantive rules, the notice of proposed rulemaking must state that opportunity for oral hearing must be granted if requested by either 10% or 25, whichever is less, of the persons who will be directly affected by the proposed rule, by a governmental subdivision or agency, by the appropriate administrative rule review committee, or by an association having not less than 25 members who will be directly affected. If the proposed rulemaking involves matters of significant interest to the public, the agency shall schedule an oral hearing.

(5) An agency may continue a hearing date for cause. In the discretion of the agency, contested case procedures need not be followed in hearings held pursuant to this section. If a hearing is otherwise required by statute, nothing in this section alters that requirement.

(6) If an agency fails to publish a notice of adoption within the time required by 2-4-305(7) and the agency again proposes the same rule for adoption, amendment, or repeal, the proposal must be considered a new proposal for purposes of compliance with this chapter.

(7) At the commencement of a hearing on the intended action, the person designated by the agency to preside at the hearing shall:

(a) read aloud the "Notice of Function of Administrative Rule Review Committee" appearing in the register; and

(b) inform the persons at the hearing of the provisions of subsection (2)(a) and provide them an opportunity to place their names on the list.

(8) For purposes of notifying sponsors under subsections (2)(a) and (2)(d) who are no longer members of the legislature, a former legislator who wishes to receive notice may keep the former legislator's name, address, and telephone number on file with the secretary of state. An agency proposing rules shall consult the register when providing sponsor notice.

2-4-303. Emergency or temporary rules. (1) (a) If an agency finds that an imminent peril to the public health, safety, or welfare requires adoption of a rule upon fewer than 30 days' notice and states in writing its reasons for that finding, it may proceed upon special notice filed with the committee, without prior notice or hearing or upon any abbreviated notice and hearing that it finds practicable, to adopt an emergency rule. The rule may be effective for a period not longer than 120 days, after which a new emergency rule with the same or substantially the same text may not be adopted, but the adoption of an identical rule under 2-4-302 is not precluded. Because the exercise of emergency rulemaking power precludes the people's constitutional right to prior notice and participation in the operations of their government, it constitutes the exercise of extraordinary power requiring extraordinary safeguards against abuse. An emergency rule may be adopted only in circumstances that truly and clearly constitute an existing imminent peril to the public health, safety, or welfare that cannot be averted or remedied by any other administrative act. The sufficiency of the reasons for a finding of imminent peril to the public health, safety, or welfare is subject to judicial review upon petition by any person. The matter must be set for hearing at the earliest possible time and takes precedence over all other matters except older matters of the same character. The sufficiency of the reasons justifying a finding of imminent peril and the necessity for emergency rulemaking must be compelling and, as written in the rule adoption notice, must stand on their own merits for purposes of judicial review. The dissemination of emergency rules required by 2-4-306 must be strictly observed and liberally accomplished.

(b) An emergency rule may not be used to implement an administrative budget reduction.

(2) A statute enacted or amended to be effective prior to October 1 of the year of enactment or amendment may be implemented by a temporary administrative rule, adopted before October 1 of that year, upon any abbreviated notice or hearing that the agency finds practicable, but the rule may not be filed with the secretary of state until at least 30 days have passed since publication of the notice of proposal to adopt the rule. The temporary rule is effective until October 1 of the year of adoption. The adoption of an identical rule under 2-4-302 is not precluded during the period that the temporary rule is effective.

2-4-304. Informal conferences and committees. (1) An agency may use informal conferences and consultations as a means of obtaining the viewpoints and advice of interested persons with respect to contemplated rulemaking.

(2) An agency may also appoint committees of experts or interested persons or representatives of the general public to advise it with respect to any contemplated rulemaking. The powers of the committees shall be advisory only.

(3) Nothing herein shall relieve the agency from following rulemaking procedures required by this chapter.

History: En. Sec. 4, Ch. 2, Ex. L. 1971; amd. Sec. 5, Ch. 410, L. 1975; amd. Sec. 1, Ch. 482, L. 1975; amd. Sec. 8, Ch. 285, L. 1977; R.C.M. 1947, 82-4204(4).

2-4-305. Requisites for validity — authority and statement of reasons. (1) The agency shall fully consider written and oral submissions respecting the proposed rule. Upon adoption of a rule, an agency shall issue a concise statement of the principal reasons for and against its adoption, incorporating in the statement the reasons for overruling the considerations urged against its adoption. If substantial differences exist between the rule as proposed and as adopted and the differences have not been described or set forth in the adopted rule as that rule is printed in the register, the differences must be described in the statement of reasons for and against agency action. When written or oral submissions have not been received, an agency may omit the statement of reasons.

(2) Rules may not unnecessarily repeat statutory language. Whenever it is necessary to refer to statutory language in order to convey the meaning of a rule interpreting the language, the reference must clearly indicate the portion of the language that is statutory and the portion that is an amplification of the language.

(3) Each proposed and adopted rule must include a citation to the specific grant of rulemaking authority pursuant to which the rule or any part of the rule is adopted. In addition, each proposed and adopted rule must include a citation to the specific section or sections in the Montana Code Annotated that the rule purports to implement. A substantive rule may not be proposed or adopted unless:

(a) a statute granting the agency authority to adopt rules clearly and specifically lists the subject matter of the rule as a subject upon which the agency shall or may adopt rules; or

(b) the rule implements and relates to a subject matter or an agency function that is clearly and specifically included in a statute to which the grant of rulemaking authority extends.

(4) Each rule that is proposed and adopted by an agency and that implements a policy of a governing board or commission must include a citation to and description of the policy implemented. Each agency rule implementing a policy and the policy itself must be based on legal authority and otherwise comply with the requisites for validity of rules established by this chapter.

(5) To be effective, each substantive rule adopted must be within the scope of authority conferred and in accordance with standards prescribed by other provisions of law.

(6) Whenever by the express or implied terms of any statute a state agency has authority to adopt rules to implement, interpret, make specific, or otherwise carry out the provisions of the statute, an adoption, amendment, or repeal of a rule is not valid or effective unless it is:

(a) consistent and not in conflict with the statute; and

(b) reasonably necessary to effectuate the purpose of the statute. A statute mandating that the agency adopt rules establishes the necessity for rules but does not, standing alone, constitute reasonable necessity for a rule. The agency shall also address the reasonableness component of the reasonable necessity requirement by, as indicated in 2-4-302(1) and subsection (1) of this section, stating the principal reasons and the rationale for its intended action and for the particular approach that it takes in complying with the mandate to adopt rules. Subject to the provisions of subsection (8), reasonable necessity must be clearly and thoroughly demonstrated for each adoption, amendment, or repeal of a rule in the agency's notice of proposed rulemaking and in the written and oral data, views, comments, or testimony submitted by the public or the agency and considered by the agency. A statement that merely explains what the rule provides is not a statement of the reasonable necessity for the rule.

(7) A rule is not valid unless notice of it is given and it is adopted in substantial compliance with 2-4-302, 2-4-303, or 2-4-306 and this section and unless notice of adoption of the rule is published within 6 months of the publishing of notice of the proposed rule. If an amended or supplemental notice of either proposed or final rulemaking, or both, is published concerning the same rule, the 6-month limit must be determined with reference to the latest notice in all cases.

(8) An agency may use an amended proposal notice or the adoption notice to correct deficiencies in citations of authority for rules and in citations of sections implemented by rules. An agency may use an amended proposal notice but, except for clerical corrections, may not use the adoption notice to correct deficiencies in a statement of reasonable necessity.

(9) If a majority of the members of the appropriate administrative rule review committee notify the committee presiding officer that those members object to a notice of proposed rulemaking, the committee shall notify the agency in writing that the committee objects to the proposal notice and will address the objections at the next committee meeting. Following notice by the committee to the agency, the proposal notice may not be adopted until publication of the last issue of the register that is published before expiration of the 6-month period during which the adoption notice must be published, unless prior to that time, the committee meets and does not make the same objection. A copy of the committee's notification to the agency must be included in the committee's records.

2-4-306. Filing, format, and adoption and effective dates — dissemination of emergency rules. (1) Each agency shall file with the secretary of state a copy of each rule adopted by it or a reference to the rule as contained in the proposal notice. A rule is adopted on the date that the adoption notice is filed with the secretary of state and is effective on the date referred to in subsection (4), except that if the secretary of state requests corrections to the adoption notice, the rule is adopted on the date that the revised notice is filed with the secretary of state.

(2) Pursuant to 2-15-401, the secretary of state may prescribe rules to effectively administer this chapter, including rules regarding the format, style, and arrangement for notices and rules that are filed pursuant to this chapter, and may refuse to accept the filing of any notice or rule that is not in compliance with this chapter. The secretary of state shall keep and maintain a permanent register of all notices and rules filed, including superseded and repealed rules, that must be open to public inspection and shall provide copies of any notice or rule upon request of

any person. Unless otherwise provided by statute, the secretary of state may require the payment of the cost of providing copies.

(3) If the appropriate administrative rule review committee has conducted a poll of the legislature in accordance with 2-4-403, the results of the poll must be published with the rule.

(4) Each rule is effective after publication in the register, as provided in 2-4-312, except that:

(a) if a later date is required by statute or specified in the rule, the later date is the effective date;

(b) subject to applicable constitutional or statutory provisions:

(i) a temporary rule is effective immediately upon filing with the secretary of state or at a stated date following publication in the register; and

(ii) an emergency rule is effective at a stated date following publication in the register or immediately upon filing with the secretary of state if the agency finds that this effective date is necessary because of imminent peril to the public health, safety, or welfare. The agency's finding and a brief statement of reasons for the finding must be filed with the rule. The agency shall, in addition to the required publication in the register, take appropriate and extraordinary measures to make emergency rules known to each person who may be affected by them.

(c) if, following written administrative rule review committee notification to an agency under 2-4-305(9), the committee meets and under 2-4-406(1) objects to all or some portion of a proposed rule before the rule is adopted, the rule or portion of the rule objected to is not effective until the day after final adjournment of the regular session of the legislature that begins after the notice proposing the rule was published by the secretary of state, unless, following the committee's objection under 2-4-406(1):

(i) the committee withdraws its objection under 2-4-406 before the rule is adopted; or

(ii) the rule or portion of a rule objected to is adopted with changes that in the opinion of a majority of the committee members, as communicated in writing to the committee presiding officer and staff, make it comply with the committee's objection and concerns.

2-4-307. Omissions from ARM or register. (1) An agency may adopt by reference any model code, federal agency rule, rule of any agency of this state, or other similar publication if the publication of the model code, rule, or other publication would be unduly cumbersome, expensive, or otherwise inexpedient.

(2) The model code, rule, or other publication must be adopted by reference in a rule adopted under the rulemaking procedure required by this chapter. The rule must contain a citation to the material adopted by reference and a statement of the general subject matter of the omitted rule and must state where a copy of the omitted material may be obtained. Upon request of the secretary of state, a copy of the omitted material must be filed with the secretary of state.

(3) A rule originally adopting by reference any model code or rule provided for in subsection (1) may not adopt any later amendments or editions of the material adopted. Except as provided in subsection (5), each later amendment or edition may be adopted by reference only by following the rulemaking procedure required by this chapter.

(4) If requested by a three-fourths vote of the appropriate administrative rule review committee, an agency shall immediately publish the full or partial text of any pertinent material adopted by reference under this section. The committee may not require the publication of copyrighted material. Publication of the text of a rule previously adopted does not affect the date of adoption of the rule, but publication of the text of a rule before publication of the notice of final adoption must be in the form of and is considered to be a new notice of proposed rulemaking.

(5) Whenever later amendments of federal regulations must be adopted to comply with federal law or to qualify for federal funding, only a notice of incorporation by reference of the later amendments must be filed in the register. This notice must contain the information required by subsection (2) and must state the effective date of the incorporation. The effective date may be no sooner than 30 days after the date upon which the notice is published unless the 30 days causes a delay that jeopardizes compliance with federal law or qualification for federal funding, in which event the effective date may be no sooner than the date of publication. A hearing is not required unless requested under 2-4-315 by either 10% or 25, whichever is less, of the persons who will be directly affected by the incorporation, by a governmental subdivision or agency, or by an association having not less than 25 members who will be directly affected. Further notice of adoption or preparation of a replacement page for the ARM is not required.

(6) If a hearing is requested under subsection (5), the petition for hearing must contain a request for an amendment and may contain suggested language, reasons for an amendment, and any other information pertinent to the subject of the rule.

2-4-308. Adjective or interpretive rule — statement of implied authority and legal effect. (1) Each adjective or interpretive rule or portion of an adjective or interpretive rule to be adopted under implied rulemaking authority must contain a statement in the historical notations of the rule that the rule is advisory only but may be a correct interpretation of the law. The statement must be placed in the ARM when the rule in question is scheduled for reprinting.

(2) The appropriate administrative rule review committee may file with the secretary of state, for publication with any rule or portion of a rule that it considers to be adjective or interpretive, a statement indicating that it is the opinion of the appropriate administrative rule review committee that the rule or portion of a rule is adjective or interpretive and therefore advisory only. If the committee requests the statement to be published for an adopted rule not scheduled for reprinting in the ARM, the cost of publishing the statement in the ARM must be paid by the committee.

2-4-311. Publication and arrangement of ARM. (1) The secretary of state shall compile, index, arrange, rearrange, correct errors or inconsistencies without changing the meaning, intent, or effect of any rule, and publish in the appropriate format all rules filed pursuant to this chapter in the ARM. The secretary of state shall supplement, revise, and publish the ARM or any part of the ARM as often as the secretary of state considers necessary. The secretary of state may include editorial notes, cross-references, and other matter that the secretary of state considers desirable or advantageous. The secretary of state shall publish supplements to the ARM at the times and in the form that the secretary of state considers appropriate.

(2) The ARM must be arranged, indexed, and printed or duplicated in a manner that permits separate publication of portions relating to individual agencies. An agency may make arrangements with the secretary of state for the printing of as many copies of the separate publications as it may require. The secretary of state may charge a fee for any separate publications. The fee must be set and deposited in accordance with 2-15-405 and must be paid by the agency.

2-4-312. Publication and arrangement of register. (1) The secretary of state shall publish in the register all notices, rules, and interpretations filed with the secretary of state at least once a month but not more often than twice a month.

(2) The secretary of state shall send the register without charge to each person listed in 2-4-313(1) and to each member of the legislature requesting the register. The secretary of state shall send the register to any other person who pays a subscription fee, which must be established and deposited in accordance with 2-15-405.

(3) The register must contain three sections, a rules section, a notice section, and an interpretation section, as follows:

(a) The rules section of the register must contain all rules filed since the compilation and publication of the preceding issue of the register, together with the concise statement of reasons required under 2-4-305(1).

(b) The notice section of the register must contain all rulemaking notices filed with the secretary of state pursuant to 2-4-302 since the compilation and publication of the preceding register.

(c) The interpretation section of the register must contain all opinions of the attorney general and all declaratory rulings of agencies issued since the publication of the preceding register.

(4) Each issue of the register must contain the issue number and date of the register and a table of contents. Each page of the register must contain the issue number and date of the register of which it is a part. 2-4-621. When absent members render decision — proposal for decision and opportunity to submit findings and conclusions — modification by agency. (1) When in a contested case a majority of the officials of the agency who are to render the final decision have not heard the case, the decision, if adverse to a party to the proceeding other than the agency itself, may not be made until a proposal for decision is served upon the parties and an opportunity is afforded to each party adversely affected to file exceptions and present briefs and oral argument to the officials who are to render the decision.

(2) The proposal for decision must contain a statement of the reasons therefor and of each issue of fact or law necessary to the proposed decision, prepared by the person who conducted the hearing unless he becomes unavailable to the agency.

(3) The agency may adopt the proposal for decision as the agency's final order. The agency in its final order may reject or modify the conclusions of law and interpretation of administrative rules in the proposal for decision but may not reject or modify the findings of fact unless the agency first determines from a review of the complete record and states with particularity in the order that the findings of fact were not based upon competent substantial evidence or that the proceedings on which the findings were based did not comply with essential requirements of law. The agency may accept or reduce the recommended penalty in a proposal for decision but may not increase it without a review of the complete record.

(4) A hearings officer who is a member of an agency adjudicative body may participate in the formulation of the agency's final order, provided he has completed all his duties as hearings officer.

2-4-622. When hearings officer unavailable for decision. (1) If the person who conducted the hearing becomes unavailable to the agency, proposed findings of fact may be prepared by a person who has read the record only if the demeanor of witnesses is considered immaterial by all parties.

(2) The parties may waive compliance with 2-4-621 and this section by written stipulation.

2-4-623. Final orders — notification — availability. (1) (a) A final decision or order adverse to a party in a contested case must be in writing. A final decision must include findings of fact and conclusions of law, separately stated. Findings of fact, if set forth in statutory language, must be accompanied by a concise and explicit statement of the underlying facts supporting the findings. A final decision must be issued within 90 days after a contested case is considered to be submitted for a final decision unless, for good cause shown, the period is extended for an additional time not to exceed 30 days.

(b) If an agency intends to issue a final written decision in a contested case that grants or denies relief and the relief that is granted or denied differs materially from a final agency decision that was orally announced on the record, the agency may not issue the final written decision without first providing notice to the parties and an opportunity to be heard before the agency.

(2) Findings of fact must be based exclusively on the evidence and on matters officially noticed.

(3) Each conclusion of law must be supported by authority or by a reasoned opinion.

(4) If, in accordance with agency rules, a party submitted proposed findings of fact, the decision must include a ruling upon each proposed finding.

(5) Parties must be notified by mail of any decision or order. Upon request, a copy of the decision or order must be delivered or mailed in a timely manner to each party and to each party's attorney of record.

(6) Each agency shall index and make available for public inspection all final decisions and orders, including declaratory rulings under 2-4-501. An agency decision or order is not valid or effective against any person or party, and it may not be invoked by the agency for any purpose until it has been made available for public inspection as required in this section. This provision is not applicable in favor of any person or party who has actual knowledge of the decision or order or when a state statute or federal statute or regulation prohibits public disclosure of the contents of a decision or order.

(2) When a licensee has made timely and sufficient application for the renewal of a license or a new license with reference to any activity of a continuing nature, the existing license does not expire until the application has been finally determined by the agency and, in case the application is denied or the terms of the new license limited, until the last day for seeking review of the agency order or a later date fixed by order of the reviewing court.

(3) Whenever notice is required, no revocation, suspension, annulment, withdrawal, or amendment of any license is lawful unless the agency gave notice by mail to the licensee of facts or conduct which warrant the intended action. If the agency finds that public health, safety, or welfare imperatively requires emergency action and incorporates a finding to that effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action. Part 7
Judicial Review of Contested Cases

2-4-701. Immediate review of agency action. A preliminary, procedural, or intermediate agency action or ruling is immediately reviewable if review of the final agency decision would not provide an adequate remedy.

History: En. Sec. 16, Ch. 2, Ex. L. 1971; amd. Sec. 17, Ch. 285, L. 1977; R.C.M. 1947, 82-4216(part).

2-4-702. Initiating judicial review of contested cases. (1) (a) A person who has exhausted all administrative remedies available within the agency and who is aggrieved by a final written decision in a contested case is entitled to judicial review under this chapter. This section does not limit use of or the scope of judicial review available under other means of review, redress, relief, or trial de novo provided by statute.

(b) A party who proceeds before an agency under the terms of a particular statute may not be precluded from questioning the validity of that statute on judicial review, but the party may not raise any other question not raised before the agency unless it is shown to the satisfaction of the court that there was good cause for failure to raise the question before the agency.

(2) (a) Except as provided in subsection (2)(c), proceedings for review must be instituted by filing a petition in district court within 30 days after service of the final written decision of the agency or, if a rehearing is requested, within 30 days after the written decision is rendered. Except as otherwise provided by statute or subsection (2)(d), the petition must be filed in the district court for the county where the petitioner resides or has the petitioner's principal place of business or where the agency maintains its principal office. Copies of the petition must be promptly served upon the agency and all parties of record.

(b) The petition must include a concise statement of the facts upon which jurisdiction and venue are based, a statement of the manner in which the petitioner is aggrieved, and the ground or grounds specified in 2-4-704(2) upon which the petitioner contends to be entitled to relief. The petition must demand the relief to which the petitioner believes the petitioner is entitled, and the demand for relief may be in the alternative.

(c) If a petition for review is filed pursuant to 33-16-1012(2)(c), the workers' compensation court, rather than the district court, has jurisdiction and the provisions of this part apply to the workers' compensation court in the same manner as the provisions of this part apply to the district court.

(d) If a petition for review is filed challenging a licensing or permitting decision made pursuant to Title 75 or Title 82, the petition for review must be filed in the county where the facility is located or proposed to be located or where the action is proposed to occur.

(3) Unless otherwise provided by statute, the filing of the petition may not stay enforcement of the agency's decision. The agency may grant or the reviewing court may order a stay upon terms that it considers proper, following notice to the affected parties and an opportunity for hearing. A stay may be issued without notice only if the provisions of 27-19-315 through 27-19-317 are met.

(4) Within 30 days after the service of the petition or within further time allowed by the court, the agency shall transmit to the reviewing court the original or a certified copy of the entire record of the proceeding under review. By stipulation of all parties to the review proceedings, the record may be shortened. A party unreasonably refusing to stipulate to limit the record may be required by the court to pay the additional costs. The court may require or permit subsequent corrections or additions to the record.

If, before the date set for hearing, application is made to the court for leave to present additional evidence and it is shown to the satisfaction of the court that the additional evidence is material and that there were good reasons for failure to present it in the proceeding before the agency, the court may order that the additional evidence be taken before the agency upon conditions determined by the court. The agency may modify its findings and decision by reason of the additional evidence and shall file that evidence and any modifications, new findings, or decisions with the reviewing court.

History: En. Sec. 16, Ch. 2, Ex. L. 1971; amd. Sec. 17, Ch. 285, L. 1977; R.C.M. 1947, 82-4216(5).

2-4-704. Standards of review. (1) The review must be conducted by the court without a jury and must be confined to the record. In cases of alleged irregularities in procedure before the agency not shown in the record, proof of the irregularities may be taken in the court. The court, upon request, shall hear oral argument and receive written briefs.

(2) The court may not substitute its judgment for that of the agency as to the weight of the evidence on questions of fact. The court may affirm the decision of the agency or remand the case for further proceedings. The court may reverse or modify the decision if substantial rights of the appellant have been prejudiced because:

(a) the administrative findings, inferences, conclusions, or decisions are:

(i) in violation of constitutional or statutory provisions;

(ii) in excess of the statutory authority of the agency;

(iii) made upon unlawful procedure;

(iv) affected by other error of law;

(v) clearly erroneous in view of the reliable, probative, and substantial evidence on the whole record;

(vi) arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion; or

(b) findings of fact, upon issues essential to the decision, were not made although requested.

(3) If a petition for review is filed challenging a licensing or permitting decision made pursuant to Title 75 or Title 82 on the grounds of unconstitutionality, as provided in subsection (2)(a)(i), the petitioner shall first establish the unconstitutionality of the underlying statute.

History: En. Sec. 16, Ch. 2, Ex. L. 1971; amd. Sec. 17, Ch. 285, L. 1977; R.C.M. 1947, 82-4216(6), (7); amd. Sec. 2, Ch. 83, L. 1989; amd. Sec. 3, Ch. 361, L. 2003.

2-4-705 through 2-4-710 reserved.

2-4-711. Appeals — staying agency decision. An aggrieved party may obtain review of a final judgment of a district court under this part by appeal to the supreme court within 60 days after entry of judgment. Such appeal shall be taken in the manner provided by law for appeals from district courts in civil cases. Unless otherwise provided by statute or unless the agency has granted a stay through the completion of the judicial review process:

(1) if appeal is taken from a judgment of the district court affirming an agency decision, the agency decision shall not be stayed except upon order of the supreme court; except that, in cases where a stay is in effect at the time of the filing of notice of appeal, the stay shall be continued by operation of law for 20 days from the date of filing of the notice;

(2) if appeal is taken from a judgment of the district court reversing or modifying an agency decision, the agency decision shall be stayed pending final determination of the appeal unless the supreme court orders otherwise.

History: En. Sec. 17, Ch. 2, Ex. L. 1971; amd. Sec. 18, Ch. 285, L. 1977; R.C.M. 1947, 82-4217.

Part 1
General Provisions

2-5-101. Short title. This part may be cited as the "Montana Negotiated Rulemaking Act".

History: En. Sec. 1, Ch. 400, L. 1993.

2-5-102. Purpose. The purpose of this part is to establish a framework for the conduct of negotiated rulemaking consistent with the Montana Administrative Procedure Act and the constitutional right of Montanans to participate in the operation of governmental agencies and to encourage agencies to use negotiated rulemaking when it enhances the rulemaking process. As authorized by 2-4-304, it is the intent of the legislature that state agencies, whenever appropriate, use the negotiated rulemaking process to resolve controversial issues prior to the commencement of the formal rulemaking process. However, negotiated rulemaking is not a substitute for the public notification and participation requirements of the Montana Administrative Procedure Act, and a consensus agreement by a negotiated rulemaking committee may be modified by an agency as a result of the subsequent rulemaking process. This part may not be construed as an attempt to limit innovation and experimentation with the negotiated rulemaking process.

2-5-103. Definitions. As used in this part, the following definitions apply:

(1) "Agency" means any board, bureau, commission, department, authority, or officer of the executive branch of state government authorized or required by law to make rules.

(2) "Consensus" means unanimous concurrence among the interests represented on a negotiated rulemaking committee established under 2-5-106, unless the committee agrees upon another specified definition.

(3) "Convener" means a person who impartially assists an agency in determining whether establishment of a negotiated rulemaking committee is feasible and appropriate for a particular rulemaking procedure.

(4) "Facilitator" means a person who impartially aids in the discussions and negotiations among the members of a negotiated rulemaking committee to develop a proposed rule. A facilitator does not have decisionmaking authority.

(5) "Interest" means, with respect to an issue or matter, multiple parties that have a similar point of view or that are likely to be affected in a similar manner.

(6) "Negotiated rulemaking" means rulemaking through the use of a negotiated rulemaking committee.

(7) "Negotiated rulemaking committee" or "committee" means an advisory committee established under 2-5-106 and authorized under 2-4-304 to consider and discuss issues for the purpose of reaching a consensus in the development of a proposed rule.

(8) "Person" means an individual, partnership, corporation, association, governmental subdivision, agency, or public or private organization of any character.

(9) "Rule" means an agency regulation, standard, or statement of general applicability that implements, interprets, or prescribes law or policy or describes the organization, procedures, or practice requirements of an agency. The term includes the amendment or repeal of a prior rule but does not include:

(a) statements concerning only the internal management of an agency and not affecting private rights or procedures available to the public;

(b) formal opinions of the attorney general and declaratory rulings issued pursuant to 2-4-501;

(c) rules relating to the use of public works, facilities, streets, and highways when the substance of the rules is indicated to the public by means of signs or signals;

(d) rules implementing the state personnel classification plan, the state wage and salary plan, or the statewide budgeting and accounting system;

(e) uniform rules adopted pursuant to interstate compact, except that the rules must be filed in accordance with 2-4-306 and must be published in the Administrative Rules of Montana.

2-5-104. Determination of need for negotiated rulemaking committee. (1) An agency may establish a negotiated rulemaking committee to negotiate and develop a proposed rule if the agency director determines that the use of the negotiated rulemaking procedure is in the public interest. In making that determination, the agency director shall consider whether:

(a) there is a need for a rule;

(b) there are a limited number of identifiable interests that will be significantly affected by the rule;

(c) there is a reasonable likelihood that a committee can be convened with a balanced representation of persons who:

(i) can adequately represent the interests identified under subsection (1)(b); and

(ii) are willing to negotiate in good faith to reach a consensus on the proposed rule;

(d) there is a reasonable likelihood that a committee will reach a consensus on the proposed rule within a fixed period of time;

(e) the negotiated rulemaking procedure will not unreasonably delay the notice of proposed rulemaking and the issuance of the final rule;

(f) the agency has adequate resources and is willing to commit those resources, including technical assistance, to the committee; and

(g) the agency, to the maximum extent possible consistent with the legal obligations of the agency, will use the consensus of the committee as the basis for the rule proposed by the agency.

(2) An agency may use the services of a convener to assist in making the determination of need pursuant to subsection (1) and to assist the agency in:

(a) identifying persons who will be significantly affected by a proposed rule; and

(b) conducting discussions with affected persons on the issues of concern and ascertaining whether the establishment of a negotiated rulemaking committee is feasible and appropriate for the particular rulemaking procedure.

(3) The convener shall report findings and make recommendations to the agency. Upon request of the agency, the convener shall ascertain the names of persons who are willing and qualified to represent the interests that will be significantly affected by the proposed rule. The report and any recommendations of the convener must be made available to the public upon request.

History: En. Sec. 4, Ch. 400, L. 1993.

2-5-105. Application for membership on committees — publication of notice. (1) If an agency decides to establish a negotiated rulemaking committee, the agency shall publish in the Montana Administrative Register and, as appropriate, in newspapers and other publications, a notice that includes:

(a) an announcement that the agency intends to establish a negotiated rulemaking committee to negotiate and develop a proposed rule;

(b) a description of the subject and scope of the rule to be developed and the issues to be considered;

(c) a list of interests likely to be significantly affected by the proposed rule;

(d) a list of the persons proposed to represent the affected interests and the agency;

(e) a proposed schedule for completing the work of the committee; and

(f) an explanation of how a person may apply for or nominate another person for membership on the committee.

(2) An agency may include the notice required in subsection (1) in the notice of intent to promulgate rules made pursuant to 2-4-302.

(3) The agency shall provide a period of at least 30 days for the submission of comments and applications for membership on a negotiated rulemaking committee.

2-5-106. Establishment of committee — determination. (1) If, after considering comments and applications submitted under 2-5-105, the agency determines that a negotiated rulemaking committee can adequately represent the interests of the persons that will be significantly affected by a proposed rule and that it is feasible and appropriate in the particular rulemaking, the agency may establish a negotiated rulemaking committee.

(2) If, after considering comments and applications submitted under 2-5-105, the agency decides not to establish a negotiated rulemaking committee, the agency shall notify the persons who commented on or applied for membership on the negotiated rulemaking committee of the reasons for the decision. The agency shall also publish a notice in the Montana Administrative Register and, as appropriate, in newspapers and other publications.

(3) The agency shall provide appropriate administrative support to the negotiated rulemaking committee, including technical support.

(4) A negotiated rulemaking committee terminates upon adoption of the final rule under consideration, unless the agency, after consulting the committee, or the committee itself specifies an earlier termination date.

History: En. Sec. 6, Ch. 400, L. 1993.

2-5-107. Expansion of committee membership. (1) A negotiated rulemaking committee may by consensus expand its membership, either by contacting and recruiting persons whose participation the committee believes is essential to the success of the negotiated rulemaking process or upon reviewing a petition submitted pursuant to subsection (2).

(2) Persons who will be significantly affected by a proposed rule and who believe that their interests will not be adequately represented by any person on a negotiated rulemaking committee may petition for or nominate another person for membership on the negotiated rulemaking committee. Each petition or nomination must be submitted to the negotiated rulemaking committee and must include:

(a) the name of the petitioner or nominee and a description of the interests the person represents;

(b) evidence that the petitioner or nominee is authorized to represent parties related to the interests the person proposes to represent;

(c) a written commitment that the petitioner or nominee will actively participate in good faith in the development of the rule under consideration; and

(d) an explanation of reasons that the persons already on the negotiated rulemaking committee do not adequately represent the interests of the person submitting the petition or nomination.

(3) Upon receiving a petition pursuant to subsection (2), a negotiated rulemaking committee shall decide by consensus at its next meeting whether or not to expand its membership.

History: En. Sec. 7, Ch. 400, L. 1993.

2-5-108. Committee — duties — procedures — report. (1) A negotiated rulemaking committee shall consider the matter proposed by the agency for consideration and shall attempt to reach consensus concerning a proposed rule and any other matter the committee determines is relevant to the proposed rule.

(2) The person representing the agency on a negotiated rulemaking committee shall participate in the deliberations of the committee with the same rights and responsibilities of other members of the committee and is authorized to fully represent the agency in the discussions and negotiations of the committee.

(3) A negotiated rulemaking committee may adopt procedures or ground rules for the operation of the committee.

(4) If a negotiated rulemaking committee achieves consensus on a proposed rule, at the conclusion of the negotiations, the committee shall transmit to the agency that established the committee a report containing the proposed rule.

(5) If a negotiated rulemaking committee does not reach a consensus on the proposed rule, the committee shall transmit to the agency a report specifying areas in which the committee

reached consensus and the issues that remain unresolved. The committee may include in the report any other information, recommendations, or materials that the committee considers appropriate. Any member of the committee may include as an addendum to the report additional information, recommendations, or materials.

(6) Title 2, chapter 3, part 2, applies to meetings of a negotiated rulemaking committee.

History: En. Sec. 8, Ch. 400, L. 1993.

2-5-109. Facilitator — selection and duties. (1) An agency may nominate a person to serve as a facilitator for the negotiations of the committee, subject to the approval of the committee by consensus. If the committee does not approve the agency's nomination for facilitator, the agency shall submit a substitute nomination. If a committee does not approve the substitute nomination of the agency for facilitator, the committee shall select by consensus a person to serve as facilitator. A person designated to represent the agency in substantive issues may not serve as facilitator or presiding officer for the committee.

(2) A facilitator approved or selected by a committee shall:

(a) preside at the meetings of the committee in an impartial manner;

(b) impartially assist the members of the committee in conducting discussions and negotiations and achieving consensus; and

(c) manage the keeping of minutes and records.

History: En. Sec. 9, Ch. 400, L. 1993.

2-5-110. Expenses — convener — facilitator — committee members. (1) An agency may employ or enter into a contract for the services of an organization or individual to serve as a convener or facilitator for a negotiated rulemaking committee or may use the services of a government employee to act as a convener or facilitator for a committee.

(2) An agency shall determine whether a person under consideration as a convener or facilitator of a negotiated rulemaking committee has any financial or other interest that would preclude the person from serving in an impartial and independent manner. A person disqualified under this criterion must be dropped from further consideration.

(3) Members of a negotiated rulemaking committee are responsible for their own expenses of participation. However, an agency may pay for a committee member's reasonable travel and per diem expenses, expenses to obtain technical assistance, and a reasonable rate of compensation if:

(a) the committee member certifies a lack of adequate financial resources to participate in the committee; and

(b) the agency determines that the committee member's participation in the committee is necessary to ensure an adequate representation of the interests of the members.

(4) An agency may accept grants or gifts from any source to fund the negotiated rulemaking process, provided that:

(a) information on the name of the person giving the grant or gift and the amount of the grant or gift is available to the public;

(b) the grant or gift is given to and accepted by the agency without placing any condition on the membership of a negotiated rulemaking committee or the outcome of the negotiated rulemaking process; and

(c) there is consensus among the members of the negotiated rulemaking committee established pursuant to 2-5-106 that the acceptance of the grant or gift will not diminish the integrity of the negotiated rulemaking process.

Part 1
Periodic Agency Evaluation

2-8-101. Purpose. (1) The legislature finds state government actions have produced a substantial increase in numbers of agencies, growth of programs, and proliferation of rules. The legislature questions whether conditions causing the establishment of these agencies, programs, and rules have not changed to such an extent as to remove the need for some or all of the agencies, programs, and rules.

(2) It is the intent of the legislature, by establishing a system of periodic evaluation of the need for and the performance of agencies or programs preparatory to termination, modification, or reestablishment, to be in a better position to ensure as follows:

(a) The executive department is responsive to the needs of all of the people of the state.

(b) No agency, program, or rule exists which is not responsive to those needs.

(c) No profession, occupation, business, industry, or other endeavor is subject to the state's regulatory power unless the exercise of such power is necessary to protect the public health, safety, or welfare from significant and discernible harm or damage. The exercise of the state's police power shall be done only to the extent necessary for that purpose.

(d) The state may not regulate a profession, occupation, industry, business, or other endeavor in a manner which will unreasonably adversely affect the competitive market.

(e) There exists a systematic legislative review of the need for and public benefits derived from a program or function by a periodic review and termination, modification, or reestablishment of such programs and functions.

Part 1
Liability Exposure

2-9-101. Definitions. As used in parts 1 through 3 of this chapter, the following definitions apply:

(1) "Claim" means any claim against a governmental entity, for money damages only, which any person is legally entitled to recover as damages because of personal injury or property damage caused by a negligent or wrongful act or omission committed by any employee of the governmental entity while acting within the scope of his employment, under circumstances where the governmental entity, if a private person, would be liable to the claimant for such

damages under the laws of the state. For purposes of this section and the limit of liability contained in 2-9-108, all claims which arise or derive from personal injury to or death of a single person, or damage to property of a person, regardless of the number of persons or entities claiming damages thereby, are considered one claim.

(2) "Employee" means an officer, employee, or servant of a governmental entity, including elected or appointed officials, and persons acting on behalf of the governmental entity in any official capacity temporarily or permanently in the service of the governmental entity whether with or without compensation, but the term employee shall not mean a person or other legal entity while acting in the capacity of an independent contractor under contract to the governmental entity to which parts 1 through 3 apply in the event of a claim.

(3) "Governmental entity" means and includes the state and political subdivisions as herein defined.

(4) "Personal injury" means any injury resulting from libel, slander, malicious prosecution, or false arrest, any bodily injury, sickness, disease, or death sustained by any person and caused by an occurrence for which the state may be held liable.

(5) "Political subdivision" means any county, city, municipal corporation, school district, special improvement or taxing district, or any other political subdivision or public corporation.

(6) "Property damage" means injury or destruction to tangible property, including loss of use thereof, caused by an occurrence for which the state may be held liable.

(7) "State" means the state of Montana or any office, department, agency, authority, commission, board, institution, hospital, college, university, or other instrumentality thereof.

Comprehensive State Insurance Plan

2-9-201. Comprehensive insurance plan for state. (1) The department of administration is responsible for the acquisition and administration of all the insurance purchased for protection of the state, as defined in 2-9-101.

(2) The department of administration shall, after consultation with the departments, agencies, commissions, and other instrumentalities of the state, provide a comprehensive insurance plan for the state providing insurance coverage to the state in amounts determined and set by the department of administration and may purchase, renew, cancel, and modify all policies according to the comprehensive insurance plan. The plan may include property, casualty, liability, crime, fidelity, and any such other policies of insurance as the department of administration may from time to time deem reasonable and prudent.

(3) The department of administration may in its discretion elect to utilize a deductible insurance plan, either wholly or in part.

(4) Only the department of administration may procure insurance under parts 1 through 3 of this chapter except as otherwise provided herein.

(5) All offices, departments, agencies, authorities, commissions, boards, institutions, hospitals, colleges, universities, and other instrumentalities of the state hereafter called state participants shall comply with parts 1 through 3 and the insurance plan developed by the department of administration.

2-9-202. Apportionment of costs — creation of deductible reserve. (1) The department of administration shall apportion the costs of all insurance purchased under 2-9-201 to the individual state participants, and the costs must be paid to the department subject to appropriations by the legislature.

(2) The department, if it elects to use a deductible insurance plan, is authorized to charge the individual state participants an amount equal to the cost of a full-coverage insurance plan until such time as a deductible reserve is established. In each subsequent year, the department may charge a sufficient amount over the actual cost of the deductible insurance to replenish the deductible reserves.

(3) The department may accumulate a self-insurance reserve fund sufficient to provide self-insurance for all liability coverages that in its discretion the department considers should be self-insured. Payments into the self-insurance reserve fund must be made from a legislative appropriation for that purpose. Proceeds of the fund must be used by the department to pay claims under parts 1 through 3 of this chapter. Expenditures for actual and necessary expenses required for the efficient administration of the fund must be made from temporary appropriations, as described in 17-7-501(1) or (2), made for that purpose.

(4) Money in reserve funds established under this section that is not needed to meet expected expenditures must be invested and all proceeds of the investment credited to the fund.

2-9-211. Political subdivision insurance. (1) All political subdivisions of the state may procure insurance separately or jointly with other subdivisions and may elect to use a deductible or self-insurance plan, wholly or in part. Political subdivisions that elect to procure insurance jointly (pooled fund) under this section may obtain excess coverage from a surplus lines insurer without proceeding under the provisions of 33-2-302(1)(b) through (1)(d). Political subdivisions that are not in a pooled fund may obtain excess coverage from a surplus lines insurer without proceeding under the provisions of 33-2-302(1)(b) through (1)(d) only if the insurer carries an A rating or better by a nationally recognized rating company or is a Lloyd's of London underwriter.

(2) A political subdivision that elects to establish a deductible plan may establish a deductible reserve separately or jointly with other subdivisions.

(3) A political subdivision that elects to establish a self-insurance plan may accumulate a self-insurance reserve fund, separately or jointly with other subdivisions, sufficient to provide self-insurance for all liability coverages that, in its discretion, the political subdivision considers should be self-insured. Payments into the reserve fund must be made from local legislative appropriations for that purpose or from the proceeds of bonds or notes authorized by subsection (5). Proceeds of the fund may be used only to pay claims under parts 1 through 3 of this chapter and for actual and necessary expenses required for the efficient administration of the fund.

(4) Money in reserve funds established under this section not needed to meet expected expenditures must be invested, and all proceeds of the investment must be credited to the fund.

(5) A political subdivision may issue and sell its bonds or notes for purposes of funding a self-insurance or deductible reserve fund and costs incident to the reserve fund in an amount not exceeding 0.18% of the total assessed value of taxable property, determined as provided in 15-8-111, within the political subdivision as of the date of issuance. The bonds or notes must be authorized by resolution of the governing body, are payable from the taxes authorized by 2-9-212, may be sold at public or private sale, do not constitute debt within the meaning of any statutory debt limitation, and may contain other terms and provisions as the governing body determines. Two or more political subdivisions may agree pursuant to an interlocal agreement to exercise their respective borrowing powers under this section jointly and may authorize a joint board created pursuant to the agreement to exercise powers on their behalf.

(2) (a) If a political subdivision made contributions for group benefits under 2-18-703 on or before July 1, 2001, the increase in the political subdivision's property tax levy for the political subdivision's premium contributions for group benefits under 2-18-703 beyond the amount of contributions in effect at the beginning of the last fiscal year is not subject to the mill levy calculation limitation provided for in 15-10-420. Levies implemented under this section must be calculated separately from the mill levies calculated under 15-10-420 and are not subject to the inflation factor described in 15-10-420(1)(a). If tax-billing software is capable, the county treasurer shall list separately the cumulative mill levy or dollar amount on the tax notice sent to each taxpayer under 15-16-101(2). The amount must also be reported to the department of administration pursuant to 7-6-4003. The mill levy must be described as the permissive medical levy.

(b) Each year prior to implementing a levy under subsection (2)(a), after notice of the hearing given under 7-1-2121 or 7-1-4127, a public hearing must be held regarding any proposed increases.

(c) A levy under this section in the previous year may not be included in the amount of property taxes that a governmental entity is authorized to levy for the purposes of determining the amount that the governmental entity may assess under the provisions of 15-10-420(1)(a). When a levy under this section decreases or is no longer levied, the revenue may not be combined with the revenue determined in 15-10-420(1)(a).

2-9-305. Immunization, defense, and indemnification of employees. (1) It is the purpose of this section to provide for the immunization, defense, and indemnification of public officers and employees civilly sued for their actions taken within the course and scope of their employment.

(2) In any noncriminal action brought against any employee of a state, county, city, town, or other governmental entity for a negligent act, error, or omission, including alleged violations of civil rights pursuant to 42 U.S.C. 1983, or other actionable conduct of the employee committed while acting within the course and scope of the employee's office or employment, the governmental entity employer, except as provided in subsection (6), shall defend the action on behalf of the employee and indemnify the employee.

(3) Upon receiving service of a summons and complaint in a noncriminal action against him, the employee shall give written notice to his supervisor requesting that a defense to the action be provided by the governmental entity employer. If the employee is an elected state official or other employee having no supervisor, the employee shall give notice of the action to the legal officer or agency of the governmental entity defending the entity in legal actions of that type. Except as provided in subsection (6), the employer shall offer a defense to the action on behalf of the employee. The defense may consist of a defense provided directly by the employer. The employer shall notify the employee, within 15 days after receipt of notice, whether a direct defense will be provided. If the employer refuses or is unable to provide a direct defense, the defendant employee may retain other counsel. Except as provided in subsection (6), the employer shall pay all expenses relating to the retained defense and pay any judgment for damages entered in the action that may be otherwise payable under this section.

(4) In any noncriminal action in which a governmental entity employee is a party defendant, the employee shall be indemnified by the employer for any money judgments or legal expenses, including attorney fees either incurred by the employee or awarded to the claimant, or both, to which the employee may be subject as a result of the suit unless the employee's conduct falls within the exclusions provided in subsection (6).

(5) Recovery against a governmental entity under the provisions of parts 1 through 3 of this chapter constitutes a complete bar to any action or recovery of damages by the claimant, by reason of the same subject matter, against the employee whose negligence or wrongful act, error, or omission or other actionable conduct gave rise to the claim. In any such action against a governmental entity, the employee whose conduct gave rise to the suit is immune from liability

by reasons of the same subject matter if the governmental entity acknowledges or is bound by a judicial determination that the conduct upon which the claim is brought arises out of the course and scope of the employee's employment, unless the claim constitutes an exclusion provided in (b) through (d) of subsection (6).

(6) In a noncriminal action in which a governmental entity employee is a party defendant, the employee may not be defended or indemnified by the employer for any money judgments or legal expenses, including attorney fees, to which the employee may be subject as a result of the suit if a judicial determination is made that:

(a) the conduct upon which the claim is based constitutes oppression, fraud, or malice, or for any other reason does not arise out of the course and scope of the employee's employment;

(b) the conduct of the employee constitutes a criminal offense as defined in Title 45, chapters 4 through 7;

(c) the employee compromised or settled the claim without the consent of the government entity employer; or

(d) the employee failed or refused to cooperate reasonably in the defense of the case.

(7) If no judicial determination has been made applying the exclusions provided in subsection (6), the governmental entity employer may determine whether those exclusions apply. However, if there is a dispute as to whether the exclusions of subsection (6) apply and the governmental entity employer concludes it should clarify its obligation to the employee arising under this section by commencing a declaratory judgment action or other legal action, the employer is obligated to provide a defense or assume the cost of the defense of the employee until a final judgment is rendered in such action holding that the employer had no obligation to defend the employee. The governmental entity employer has no obligation to provide a defense to the employee in a declaratory judgment action or other legal action brought against the employee by the employer under this subsection.

Upon the filing and approval of the new bond, such first sureties are exonerated from all further liability, but their bond remains in full force as to all liabilities incurred previous to the approval of such new bond. The liability of the principal and surety or sureties in such new bond is in all respects the same and may be enforced in like manner as the liability of the principal and sureties of the original bond.

2-9-528. Lien on real estate of surety — action to compel specific performance. (1) When an action is commenced in any court in this state, for the benefit to the state, to enforce the penalty of or to recover money upon an official bond or obligation or any bond or obligation executed in favor of the state of Montana or of the people of this state, the attorney or other person prosecuting the action may file with the clerk of the court in which the action is commenced an affidavit stating either positively or on information and belief that such bond or obligation was executed by the defendant or one or more of the defendants (designating whom) and made payable to the people of the state or to the state and that the defendant or defendants have real estate or some interest in lands (designating the county or counties in which the same is situated) and that the action is prosecuted for the benefit of the state. The clerk of the court receiving such affidavit must certify to the county clerk in which such real estate is situated the names of the parties to the action, the name of the court in which the action is pending, and the amount claimed in the complaint, with the date of the commencement of the suit.

(2) Upon receiving such certificate, the county clerk must endorse upon it the time of its reception. Such certificate must be filed in the same manner as notices of the pendency of action affecting real estate. Any judgment recovered in such action is a lien upon all real estate belonging to the defendant situated in any county in which such certificate is so filed or to one or more of such defendants, for the amount the owner thereof is or may be liable upon the judgment, from the filing of this certificate.

(3) In any action to compel the specific performance of an agreement to sell real estate affected by the lien created by the filing of the certificate mentioned in subsection (2) which agreement was made prior to the filing of such certificate, but the purchase price thereof is not due until after the filing of said certificate, the judge of the district court in which said action for specific performance is tried must, if the purchaser is otherwise entitled to specific performance of such agreement, order the said purchaser to pay the purchase price, or so much thereof as may be due, to the state treasurer, taking his receipt therefor. Upon such payment, the purchaser is entitled to enforce the specific performance of the agreement and take said real estate free from the liens created by the filing of said certificate. The moneys so paid to the state treasurer must be held by him, pending the litigation mentioned in said certificate and subject to the lien created by the filing of said certificate. If judgment is recovered against the defendant, the state treasurer in his settlement must pay to the county treasurer entitled to the same the amount due the county.

Eminent domain generally, Title 70, ch. 30, part 1.

2-10-101. Short title. This part may be cited as the "Private Property Assessment Act".

History: En. Sec. 1, Ch. 462, L. 1995.

2-10-102. Purpose. It is the policy of this state that a person may not be deprived of the use of private property without due process of law and that private property may not be taken or damaged by a state agency without prior just compensation to the owner in accordance with the meaning ascribed to these concepts by the United States supreme court and the Montana supreme court. An assessment of each state agency action with taking or damaging implications is needed to avoid imposing expensive litigation burdens on citizens and to minimize the risk of unanticipated demands on the state's fiscal resources. The purpose of this part is to establish an orderly and consistent process that better enables state agencies to evaluate whether an action with taking or damaging implications might result in the taking or damaging of private property. It is not the purpose of this part to expand or diminish the private property protections provided in the federal and state constitutions.

History: En. Sec. 2, Ch. 462, L. 1995.

2-10-103. Definitions. As used in this part, the following definitions apply:

(1) "Action with taking or damaging implications" means a proposed state agency administrative rule, policy, or permit condition or denial pertaining to land or water management or to some other environmental matter that if adopted and enforced would constitute a deprivation of private property in violation of the United States or Montana constitution. It does not include:

(a) proposed eminent domain proceedings;

(b) a proposed seizure of property by law enforcement officials as evidence or under a state forfeiture statute;

(c) a proposed forfeiture of property during or as a result of criminal proceedings; or

(d) a proposal to repeal a rule, discontinue a government program, or implement a proposed change that has the effect of reducing regulation of private property.

(2) "Private property" means all real property, including but not limited to water rights.

(3) "State agency" means an officer, board, commission, department, or other entity within the executive branch of state government.

(4) "Taking or damaging" means depriving a property owner of private property in a manner requiring compensation under the 5th and 14th amendments to the constitution of the United States or Article II, section 29, of the Montana constitution.

History: En. Sec. 3, Ch. 462, L. 1995.

2-10-104. Guidelines for actions with taking implications. (1) The attorney general shall develop and provide to state agencies guidelines, including a checklist, to assist the agencies in identifying and evaluating agency actions with taking or damaging implications. The attorney general shall at least annually review the guidelines and modify them as necessary to comply with changes in statutes and court decisions.

(2) In developing guidelines, the attorney general shall include a provision that state agencies should consider and follow obligations imposed by the 5th and 14th amendments to the Constitution of the United States and Article II, section 29, of the Montana constitution, as construed by the United States supreme court and the Montana supreme court, when considering and implementing an action with taking or damaging implications in order to avoid unanticipated and undue burdens on the state treasury.

History: En. Sec. 4, Ch. 462, L. 1995.

2-10-105. Impact assessment. (1) Each state agency shall assign a qualified person or persons in the state agency the duty and authority to ensure that the state agency complies with this part. Each state agency action with taking or damaging implications must be submitted to that person or persons for review and completion of an impact assessment. The state agency may not take the action unless the review and impact assessment have been completed, except that the action with taking or damaging implications may be taken before the review and impact assessment are completed if necessary to avoid an immediate threat to public health or safety.

(2) Using the attorney general's guidelines and checklist, the person shall prepare a taking or damaging impact assessment for each state agency action with taking or damaging implications that includes an analysis of at least the following:

(a) the likelihood that a state or federal court would hold that the action is a taking or damaging;

(b) alternatives to the action that would fulfill the agency's statutory obligations and at the same time reduce the risk for a taking or damaging; and

(c) the estimated cost of any financial compensation by the state agency to one or more persons that might be caused by the action and the source for payment of the compensation.

(3) A copy of the impact assessment for a proposed action with taking or damaging implications must be given to the governor before the action is taken, except that an action to avoid an immediate threat to public health or safety may be taken before the impact assessment is completed and the assessment may be reported to the governor after the action is taken.

Government Accountability Act

2-11-101. Short title. This part may be cited as the "Government Accountability Act".

History: En. Sec. 1, Ch. 502, L. 1997.

2-11-102. Findings and purpose. The purpose of this part is to require government entities to make known the legal authority upon which certain action is based. The benefits of this requirement will be that government officials will articulate and reaffirm their legal authority to act and that both the government and the people will have a fuller understanding of the limits of the law and the facts to which the law applies. This understanding will benefit both government and the people by helping to resolve disputes between government servants and the people, without lengthy and costly litigation, by instilling trust in government, and by helping to identify deficiencies in the law so that those deficiencies may be addressed by legislative action.

History: En. Sec. 2, Ch. 502, L. 1997.

2-11-103. Definitions. As used in this part, the following definitions apply:

(1) (a) "Government act" means the denial or issuance with conditions of a permit, certificate, license, or the equivalent of a permit, certificate, or license issued by a government entity.

(b) The term does not mean:

(ii) an act provided in subsection (1)(a) for which a citation or warning is issued, other than the statement required by 2-11-104, on which a reference clearly appears to the legal authority for the government action; or

(iii) a legislative act by the state of Montana.

(2) "Government entity" means a state agency or a local government unit.

(3) "Local government unit" means a city, county, town, unincorporated municipality or village, or special taxing unit or district and any commission, board, bureau, or other office of the unit.

(4) "Rule" has the meaning provided in 2-4-102.

(5) "State agency" has the meaning provided in 2-4-102(2)(a).

(6) "Statement of government authority" or "statement" means the statement required by 2-11-104.

History: En. Sec. 3, Ch. 502, L. 1997; amd. Sec. 1, Ch. 51, L. 1999.

2-11-104. Statement of government authority required. (1) When a government entity takes a government act, as defined in 2-11-103, it shall provide upon request to the applicant a written statement of specific legal authority upon which the action is based. The statement must be provided within 30 days of the written request by the applicant for the written statement of specific legal authority or within 30 days after the government act, whichever occurs last.

(2) The statement must clearly cite the specific statute, rule, ordinance, resolution, or other legal authority for the government act and the specific reason for the government act.

History: En. Sec. 4, Ch. 502, L. 1997; amd. Sec. 1, Ch. 501, L. 2001.

(2) "Public office" means a position of duty, trust, or authority created by the constitution or by the legislature or by a political subdivision through authority conferred by the constitution or the legislature that meets the following criteria:

(a) the position must possess a delegation of a portion of the sovereign power of government to be exercised for the benefit of the public;

(b) the powers conferred and the duties to be discharged must be defined, directly or impliedly, by the constitution, the legislature, or by a political subdivision through legislative authority;

(c) the duties must be performed independently and without control of a superior power other than the law, unless the legislature has created the position and placed it under the general control of a superior office or body; and

(d) the position must have some permanency and continuity and not be only temporary or occasional.

(3) "State-district" means a public service commission district, a legislative representative or senatorial district, or a judicial district.

If space is not available in a building owned or leased by the state, the department shall locate space to be leased in an appropriate building or recommend alternatives to leasing, such as remodeling or exchanging space with another agency. The department may purchase, lease, or acquire, by exchange or

otherwise, land and buildings in the city to achieve consolidation. Offices of the law enforcement services division and motor vehicle division of the department of justice are exempted from consolidation.

(1) Money received by the state as indemnification for damage to state buildings, except buildings procured by the department of transportation by purchase or condemnation for right-of-way purposes, must be deposited in the state special revenue fund. (2) It is the intent of the legislature that compensation plans for state employees, excluding those employees excepted under 2-18-103 or 2-18-104, be based on an analysis of the labor market as provided by the department in a salary survey. The salary survey must be submitted to the office of budget and program planning as a part of the information required by 17-7-111.

(3) Except as provided in 2-18-110, pay adjustments and pay schedules provided for in 2-18-303 and in 2-18-312 supersede any other plan or systems established through collective bargaining after the adjournment of the 59th legislature.

(5) Total funds required to implement the pay schedules provided for in 2-18-312 for any employee group or bargaining unit may not be increased through collective bargaining over the amount appropriated by the 59th legislature.

(6) The department shall administer the pay program established by the legislature on the basis of merit, internal equity, and competitiveness to external labor markets when fiscally able.

(7) The department may promulgate rules not inconsistent with the provisions of this part, collective bargaining statutes, or negotiated contracts to carry out the purposes of this part.

All changes in personnel or salary status shall be authorized as provided by law, and the department shall alter the schedule accordingly when notified by the authorizing agency. 2-18-303. Procedures for using pay schedules. (1) The pay schedule provided in 2-18-312 must be implemented as follows:

(a) The pay schedule provided in 2-18-312 indicates the entry salary and market salary for each grade for positions classified under the provisions of part 2 of this chapter.

(b) Each employee newly hired by the state of Montana must be hired at the entry rate, except as provided in subsections (5) through (9).

(c) On the first day of the first complete pay period in fiscal year 2006, each employee is entitled to the amount of the employee's base salary as it was on June 30, 2005.

(d) Effective on the first day of the first complete pay period that includes an employee's anniversary date during the fiscal year ending June 30, 2006, the base salary of each employee must be increased by 3.5% or $1,005, based upon 2,080 annual hours in a pay status, whichever is greater. Effective on the first day of the first complete pay period that includes an employee's anniversary date during the fiscal year ending June 30, 2007, the base salary of each employee must be increased by 4% or $1,188, based upon 2,080 annual hours in a pay status, whichever is greater. For employees hired on or before September 30, 2005, the anniversary date is October 1.

(e) An employee's base salary may be no less than the entry salary for the employee's assigned grade.

(2) The pay schedule provided in 2-18-312 and the provisions of subsections (1)(a) through (1)(d) of this section do not apply to those employees who are members of collective bargaining units that have collectively bargained to participate in a separate or alternative classification and pay plan or who are covered under subsections (5) and (6) of this section.

(3) (a) (i) If the legislature authorizes a pay increase for state employees, a member of a bargaining unit may not receive a pay increase until the employer's collective bargaining representative receives written notice that the employee's bargaining unit has ratified a completely integrated collective bargaining agreement.

(ii) If ratification of a completely integrated collective bargaining agreement, as required by subsection (3)(a)(i), is not completed by the date on which a legislatively authorized pay increase is implemented, members of the bargaining unit must continue to receive the compensation that they were receiving until an agreement is ratified.

(b) Methods of administration not inconsistent with the purpose of this part and necessary to properly implement the pay schedules and adjustments provided in 2-18-312 and this section may be provided for in collective bargaining agreements.

(4) The current wage or salary of an employee may not be reduced by the implementation of the pay schedules provided for in 2-18-312.

(5) The department may authorize a separate pay schedule for classes of medical professionals if the rates provided in 2-18-312 are not sufficient to attract and retain fully licensed and qualified professionals.

(6) (a) The department may develop and implement an alternative pay and classification plan for certain classes, occupations, and work units. Pay for employees in the alternative pay and classification plan may be established and changed based on demonstrated competencies and accomplishments, on the labor market, and on other situations defined by the department.

(b) To the extent that the plan applies to employees within a collective bargaining unit, the implementation of the plan is a negotiable subject under 39-31-305.

(7) The department may develop programs that enable the department to mitigate problems associated with difficult recruitment, retention, transfer, or other exceptional circumstances. To the extent that the program applies to employees within a collective bargaining unit, it is a negotiable subject under 39-31-305.

(8) The department shall review the competitiveness of the compensation provided to all occupations under this part. If the department finds that substantial problems exist with recruitment and retention because of inadequate salaries when compared to competing employers, the department may establish criteria allowing an adjustment in pay or classification to mitigate the problems. To the extent that these adjustments apply to employees

within a collective bargaining unit, the implementation of these adjustments is a negotiable subject under 39-31-305.

(9) (a) Montana highway patrol officer base salaries and biennial salary increases must be established through an alternative pay and classification plan. Before January 1 of each odd-numbered year, the department shall, after seeking the advice of the Montana highway patrol, conduct a salary survey to be used in establishing the base salary and any biennial salary increase for existing and entry-level highway patrol officer positions. The county sheriff's offices in the following consolidated governments and counties are the labor market for purposes of the survey: Butte-Silver Bow, Cascade, Yellowstone, Missoula, Lewis and Clark, Gallatin, Flathead, and Dawson. The base salary and biennial salary increases for existing and entry-level highway patrol officer positions must then be determined by the department of justice, using the results of the salary survey and the department of justice pay plan guidelines. Base or biennial salary increases under this subsection are exclusive of and not in addition to any increases otherwise awarded to other state employees after July 1, 2006.

(b) To the extent that the plan applies to employees within a collective bargaining unit, the implementation of the plan is a negotiable subject under 39-31-305.

(c) The salary survey must be submitted to the office of budget and program planning as a part of the information required by 17-7-111.

(d) (i) Except as provided in subsection (9)(d)(ii), the survey and plan must be completed at least 6 months before the start of each regular legislative session.

(ii) The first survey must be completed by January 1, 2006, for the plan to be implemented for the first full pay period in fiscal year 2007.

Years of employment	Working days credit
1 day through 10 years	15
10 years through 15 years	18
15 years through 20 years	21

(2) (a) For the purpose of determining years of employment under this section, an employee eligible to earn vacation credits under 2-18-611 must be credited with 1 year of employment for each period of:

(i) 2,080 hours of service following his date of employment; an employee must be credited with 80 hours of service for each biweekly pay period in which he is in a pay status or on an authorized leave of absence without pay, regardless of the number of hours of service in the pay period; or

(ii) 12 calendar months in which he was in a pay status or on an authorized leave of absence without pay, regardless of the number of hours of service in any one month. An employee of a school district, a school at a state institution, or the university system must be credited with 1 year of service if he is employed for an entire academic year.

2-18-617. Accumulation of leave — cash for unused — transfer. (1) (a) Except as provided in subsection (1)(b), annual vacation leave may be accumulated to a total not to exceed two times the maximum number of days earned annually as of the end of the first pay period of the next calendar year. Excess vacation time is not forfeited if taken within 90 calendar days from the last day of the calendar year in which the excess was accrued.

(b) It is the responsibility of the head of an employing agency to provide reasonable opportunity for an employee to use rather than forfeit accumulated vacation leave. If an employee makes a reasonable written request to use excess vacation leave before the excess vacation leave must be forfeited under subsection (1)(a) and the employing agency denies the request, the excess vacation leave is not forfeited and the employing agency shall ensure that the employee may use the excess vacation leave before the end of the calendar year in which the leave would have been forfeited under subsection (1)(a).

(2) An employee who terminates employment for a reason not reflecting discredit on the employee is entitled upon the date of termination to cash compensation for unused vacation leave, assuming that the employee has worked the qualifying period set forth in 2-18-611.

(3) However, if an employee transfers between agencies of the same jurisdiction, cash compensation may not be paid for unused vacation leave. In a transfer, the receiving agency assumes the liability for the accrued vacation credits transferred with the employee.

(4) This section does not prohibit a school district from providing cash compensation for unused vacation leave in lieu of the accumulation of the leave, either through a collective bargaining agreement or, in the absence of a collective bargaining agreement, through a policy.

2-18-618. Sick leave. (1) A permanent full-time employee earns sick leave credits from the first day of employment. For calculating sick leave credits, 2,080 hours (52 weeks x 40 hours) equals 1 year. Sick leave credits must be credited at the end of each pay period. Sick leave credits are earned at the rate of 12 working days for each year of service without restriction as to the number of working days that may be accumulated. Employees are not entitled to be paid sick leave until they have been continuously employed 90 days.

(2) An employee may not accrue sick leave credits while in a leave-without-pay status.

(3) Permanent part-time employees are entitled to prorated leave benefits if they have worked the qualifying period.

(4) Full-time temporary and seasonal employees are entitled to sick leave benefits provided they work the qualifying period.

(5) A short-term worker may not earn sick leave credits.

(6) Except as otherwise provided in 2-18-1311, an employee who terminates employment with the agency is entitled to a lump-sum payment equal to one-fourth of the pay attributed to the accumulated sick leave. The pay attributed to the accumulated sick leave must be computed on the basis of the employee's salary or wage at the time the employee terminates employment with the state, county, or city. Accrual of sick leave credits for calculating the lump-sum payment provided for in this subsection begins July 1, 1971. The payment is the responsibility of the agency in which the sick leave accrues. However, an employee does not forfeit any sick leave rights or benefits accrued prior to July 1, 1971. However, when an employee transfers between agencies within the same jurisdiction, the employee is not entitled to a lump-sum payment. In a transfer between agencies, the receiving agency shall assume the liability for the accrued sick leave credits earned after July 1, 1971, and transferred with the employee.

(7) An employee who receives a lump-sum payment pursuant to this section or who, pursuant to 2-18-1311, converts unused sick leave to employer contributions to a health care expense trust account and who is again employed by any agency may not be credited with sick leave for which the employee has previously been compensated or for which the employee has received an employer contribution to the health care expense trust account.

(8) Abuse of sick leave is cause for dismissal and forfeiture of the lump-sum payments provided for in this section.

(9) An employee of a state agency may contribute any portion of the employee's accumulated sick leave to a nonrefundable sick leave fund for state employees and becomes eligible to draw upon the fund if an extensive illness or accident exhausts the employee's

accumulated sick leave, irrespective of the employee's membership or nonmembership in the employee welfare benefit plan established pursuant to 2-18-1304. The department of administration shall, in consultation with the state employee group benefits advisory council, provided for in 2-15-1016, administer the sick leave fund and adopt rules to implement this subsection.

(10) A local government may establish and administer through local rule a sick leave fund into which its employees may contribute a portion of their accumulated sick leave.

The laws prohibiting discrimination on the basis of marital status in Title 49 do not prohibit bona fide group insurance plans from providing greater or additional contributions for insurance benefits to employees with dependents than to employees without dependents or with fewer dependents.

(b) The governing body of a county, city, or town may, at its discretion, consider the employees of private, nonprofit economic development organizations to be employees of the county, city, or town solely for the purpose of participation in group hospitalization, medical, health, including long-term disability, accident, or group life insurance contracts or plans as provided in subsection (1)(a). The governing body of the county, city, or town may require an employee or organization to pay the actual cost of coverage required for participation or may, at its discretion and subject to any restriction on who may be a member of a group, pay all or part of the cost of coverage of the employee of the organization.

(c) The governing body of a third, fourth, fifth, sixth, or seventh class county or the board of trustees of a hospital district may, at its discretion, exempt employees of a county hospital, county rest home, or hospital district from participation in group hospitalization, medical, health, including long-term disability, accident, or group life insurance contracts or plans provided pursuant to subsection (1)(a) or (1)(b).

(4) For the purpose of this section, the plans of health service corporations for defraying or assuming the cost of professional services of licentiates in the field of health or the services of hospitals, clinics, or sanitariums or both professional and hospital services must be construed as group insurance and the dues payable under the plans must be construed as premiums for group insurance.

(5) If the board of trustees of a school district implements a self-insured group health plan or if the board of regents implements an alternative to conventional insurance to provide group benefits to its employees, the board shall maintain the alternative plan on an actuarially sound basis.

2-18-703. Contributions. (1) Each agency, as defined in 2-18-601, and the state compensation insurance fund shall contribute the amount specified in this section toward the group benefits cost.

(2) For employees defined in 2-18-701 and for members of the legislature, the employer contribution for group benefits is $460 a month for the period from July 2005 through December 2005, $506 a month for the period from January 2006 through December 2006, and $557 a month for January 2007 and for each succeeding month. For employees of the Montana university system, the employer contribution for group benefits is $506 a month for the period from July 2005 through June 2006 and $557 a month for July 2006 and for each succeeding month. If a state employee is terminated to achieve a reduction in force, the continuation of contributions for group benefits beyond the termination date is subject to negotiation under 39-31-305. Permanent part-time, seasonal part-time, and temporary part-time employees who are regularly scheduled to work less than 20 hours a week are not eligible for the group benefit contribution. An employee who elects not to be covered by a state-sponsored group benefit plan may not receive the state contribution. A portion of the employer contribution for group benefits may be applied to an employee's costs for participation in Part B of medicare under Title XVIII of the Social Security Act, as amended, if the state group benefit plan is the secondary payer and medicare the primary payer.

(3) For employees of elementary and high school districts and of local government units, the employer's premium contributions may exceed but may not be less than $10 a month. Subject to the public hearing requirement provided in 2-9-212(2)(b), the increase in a local government's property tax levy for premium contributions for group benefits beyond the amount of contributions in effect on the first day of the last fiscal year is not subject to the mill levy calculation limitation provided for in 15-10-420.

(4) Unused employer contributions for any state employee must be transferred to an account established for this purpose by the department of administration and upon transfer may be used to offset losses occurring to the group of which the employee is eligible to be a member.

(5) Unused employer contributions for any government employee may be transferred to an account established for this purpose by a self-insured government and upon transfer may be used to offset losses occurring to the group of which the employee is eligible to be a member or to increase the reserves of the group.

(6) The laws prohibiting discrimination on the basis of marital status in Title 49 do not prohibit bona fide group insurance plans from providing greater or additional contributions for insurance benefits to employees with dependents than to employees without dependents or with fewer dependents.

(a) significantly contribute to achievements or outcomes eliminating or reducing an agency's expenditures; or

(b) improve the effectiveness of state government or improve services to the public by permitting more work to be accomplished within an agency without increasing the cost of governmental operations.

(3) A director, as defined in 2-15-102, or a legislator is not eligible for the incentive award provided for under this part.

(4) Suggestions relating to an agency are eligible for an award from that agency's agency head even if the employee or group or team of employees, or one or more members of the group or team, do not work for that agency.

(1) An agency head may grant an incentive award to an employee, a group or team of employees, or a nonemployee who has made a significant contribution to achievements or outcomes in the agency, as enumerated in 2-18-1105. An employee or a member of a group or team of employees need not be employed by the agency that benefits from the achievement or outcome and whose agency head grants the award in order to be granted an award.

(2) If agency management determines that an idea, innovation, or prototype that has been implemented will result in cost savings or improvements to agency operations, the agency head, at the agency head's discretion, may grant an incentive award of up to $500, up to 40 hours paid leave time, or other nonmonetary recognition.

(3) If an achievement or outcome produces cost savings that can be measured after the savings are actually realized or that can be accurately projected for a period of 12 months following implementation, a larger award may be granted by the agency head. The amount of the award must be determined by the agency head but may not exceed:

(a) 10% of the first $100,000 of cost savings actually realized or accurately projected; plus

(b) 5% of the next $100,000 of cost savings actually realized or accurately projected; plus

(c) 2% of the next $100,000 of cost savings actually realized or accurately projected.

(4) (a) If the award is to be divided between two or more persons, the agency head shall determine the amount each person is to receive.

(b) Each person must be paid in one lump sum no later than 90 days after the end of the 12-month period following implementation of the suggestion. However, an agency head may pay an award at any time that savings can be determined. The agency head shall pay the award from the agency's budget. This award is in addition to the recipient's regular compensation or leave time.

(5) Within 30 days after the end of each fiscal year, each agency shall submit to the department a list of the number of incentive awards granted, to whom each award was granted, the estimated value of each achievement or outcome, and the amount of each award.

An agency head, as defined in 2-18-1101, may, with the approval of the approving authority, as defined in 17-7-102, increase the salary for one or more positions in the agency by the amount of the salary for a position that was permanently eliminated by the agency within the last 30 days. However, an increased salary may not exceed the market salary for that position determined under Title 2, chapter 18, part 3. If an eliminated position's salary is redistributed under this section, the agency may not be given an increased appropriation in regard to the eliminated position under 2-15-112(2)(e). An increase for an employee who is in a collective bargaining unit is a negotiable subject under 39-31-305.

(1) During the period of unemployment as a result of privatization, reorganization of an agency, closure of or a reduction in force at an agency, or other actions by the legislature, the employee is entitled to remain covered by the state's group health insurance plan and to the continuation of the employer's contribution to the employee's group health insurance for 6 months from the effective date of layoff or until the employee becomes employed, whichever occurs first.

2-18-1302. Purpose and intent. The legislature finds that escalating health care expenses, particularly the increasing cost of medical treatment and health insurance, constitute a substantial financial burden during and after an employee's working career. The purpose of this part is to provide a means by which public employers may contribute to a plan established under a qualified tax-exempt trust organization to assist public employees, their dependents, and their beneficiaries with paying for qualified health care expenses. Under the plan, employer contributions, investment earnings, and payments for qualified health care expenses are tax-exempt. The legislature also finds that centralized statewide administration offers a consistent approach and is more cost-effective, especially for smaller employers. However, the legislature does not intend to prohibit an employer from establishing a similar program as an alternative or in addition to participation in the statewide program provided for in this part. Additionally, the legislature intends to facilitate a grassroots process to determine plan participation.

History: En. Sec. 2, Ch. 272, L. 2001.

2-18-1303. Definitions. As used in this part, unless the context requires otherwise, the following definitions apply:

2-18-1304. Statewide employee welfare benefit plan established — health care expense trust accounts — investment of funds — account access — administrative expenses. (1) The department shall establish, through contracted services, a plan under a tax-exempt entity that qualifies as a voluntary employees' beneficiary association trust pursuant to section 501(c)(9) of the Internal Revenue Code, 26 U.S.C. 501(c)(9). The plan must provide members with individual health care expense trust accounts to pay the qualified health care expenses of members, their dependents, and their beneficiaries.

(2) The department shall determine what investment vehicles will be offered to plan members. Each plan member is entitled to direct the investment of funds in the member's account among the investment vehicles offered. The department shall provide for a default investment vehicle if a member fails to direct how funds are to be invested.

(3) At any time after a member's account has been established, the member may access funds in the account in a manner prescribed by the department. The funds may be accessed only for the payment of qualified health care expenses and until the funds have been exhausted.

(4) Administrative expenses must be paid by the plan in a manner prescribed by the department.

History: En. Sec. 4, Ch. 272, L. 2001.

2-18-1305. Rulemaking authority. The department shall adopt rules to implement the provisions of this part. The rules must be designed to allow the plan to conform to federal law.

(1) The department shall provide for the administration of the plan in the manner required to satisfy applicable tax qualification requirements of the Internal Revenue Code. If a statutory provision of this part conflicts with a qualification requirement of the Internal Revenue Code and any consequent federal regulations, the provision is either ineffective or must be interpreted to conform with the federal qualification requirements.

(2) For purposes of qualification pursuant to section 501(c)(9) of the Internal Revenue Code, 26 U.S.C. 501(c)(9), and any other applicable internal revenue service laws and regulations, the plan document is composed of this part and the rules adopted by the department to implement this part.

History: En. Sec. 6, Ch. 272, L. 2001.

2-18-1310. Plan membership election — contract for employer participation. (1) At the request of at least 25% of its employees, an employer may facilitate an election by all the employer's employees or by a specified group of the employer's employees to determine whether those employees will form an association for the purpose of participating in the plan. An election among employees on whether to form an association may also be initiated by the employer.

(2) If a majority of the employees voting on the question vote to become plan members, then, in a manner prescribed by the department:

(a) all of the employees that were eligible to vote on the question and any employees subsequently hired into the positions covered under the terms and conditions of the election must be formed as a common association for the purpose of plan membership and the employees must become plan members; and

(b) the employer shall enter into a contract with the department to participate in the plan and must become a contracting employer.

(3) A common association shall operate in a manner prescribed by the department unless the association is disbanded in a manner prescribed by the department.

(4) A contracting employer shall provide to the department, or the appropriate administering entity, the information necessary for the plan's operation. The department, in partnership with a contracting employer, shall provide to plan members the information necessary to actively participate in the plan.

On August 1, 2003, the Department of Administration certified to the Secretary of State that the Commissioner of Internal Revenue had determined that Montana's Voluntary Employees' Beneficiary Plan is exempt from federal income tax under section 501(a) of the Internal Revenue Code. (1) In a manner prescribed by the department, a contracting employer shall provide for a plan member to annually designate how many hours, if any, of the member's sick leave will be automatically converted to an employer contribution to the member's account each pay period as provided for in this section.

(2) (a) Except as provided in subsection (2)(b), a member may annually convert only the sick leave hours in excess of 240 hours and no more than the maximum prescribed by the contracting employer.

(b) When the member's employment is terminated, the member's entire unused sick leave balance must be automatically converted to an employer contribution to the member's account pursuant to this section and may not be paid as a lump sum under 2-18-618(6).

(3) The amount of the employer contribution to a member's account for hours converted under this section must be equal to one-fourth of the pay attributed to the accumulated sick leave. The attributable pay must be computed on the basis of the employee's salary or wage at the time that the sick leave is converted. A member may not later receive as sick leave credit or as a lump-sum payment amounts contributed to the member's account pursuant to this section.

(4) This section does not prohibit an employer from entering into an agreement with a member for employer contributions to a member account in addition to the contributions provided for under this section.

(b) the electronic record has not been altered since its digital signature was created.

History: En. Sec. 3, Ch. 365, L. 1999.

2-20-104. Construction — exceptions. (1) This part, as applied to transactions with state agencies or local government units, may not be construed to:

(a) require a party to accept an electronic record, an electronic signature, or an electronic contract or to respond to or act upon an electronic record, an electronic signature, or an electronic contract unless the parties have freely and voluntarily agreed to the use of an electronic record, electronic signature, or electronic contract prior to electronic transmission; or

(b) preclude the recipient of an electronic record, an electronic signature, or an electronic contract from establishing the conditions under which the recipient will accept the electronic record, electronic signature, or electronic contract.

(2) This part does not apply:

(a) when application of this part is clearly inconsistent with the manifest intent of another rule of law. However, a requirement of a rule of law that information must be "in writing", "written", "printed", "signed", or by any other word or phrase specifies written communication for a certain purpose is not by itself sufficient to prohibit the use of an electronic record or electronic signature, as applicable, for that purpose.

(b) to any rule of law governing the creation or execution of a will, trust, living will, or health care power of attorney;

(c) to any record that serves as a unique and transferable physical token of rights and obligations, including negotiable instruments and other instruments of title in which possession of the instrument is considered to confer title.

History: **En. Sec. 4, Ch. 365, L. 1999.**

2-20-105. State agency or local government unit acceptance and use of electronic records and electronic signatures — rulemaking required. (1) This part strongly encourages but does not require a state agency or local government unit to use or permit the use of an electronic signature or to send or receive electronic records. A state agency or local government unit may determine if, and the extent to which, it will send and receive electronic records to and from other persons and the extent to which it will create, use, and rely upon electronic records.

(2) Unless otherwise agreed to between a state agency or local government unit acting as the sender or receiver of an electronic record and another person who is the sender or receiver of the same electronic record, an electronic record is sent when it enters an information processing system outside the control of the sender or a person that sent the electronic record on behalf of the sender.

(3) Unless otherwise agreed to between a state agency or local government unit acting as the sender or receiver of an electronic record and another person acting as the sender or receiver of the same electronic record, an electronic record is received when the electronic record enters an information processing system from which the recipient is able to retrieve electronic records in a form capable of being processed by that system, if the recipient uses or has designated that system for the purpose of receiving the electronic record. An electronic record is effective when received even if no individual is aware of its receipt.

(4) A state agency sending or receiving electronic records shall adopt rules specifying:

(a) the manner and format in which an electronic record must be created, sent, received, and stored;

(b) whether an electronic record must be signed, the type of electronic signature required, the manner and format in which a signature must be affixed to the electronic record, and the identity of, or criteria that must be met by, a third person used by the person filing the document to facilitate the process;

(c) appropriate control methods used to ensure adequate integrity, security, and confidentiality of the electronic records and to ensure that the creation, transmission, and use of the electronic record may be audited; and

(d) other matters applicable to nonelectronic records that in the state agency's judgment should also be made applicable to electronic records.

History: **En. Sec. 5, Ch. 365, L. 1999.**

2-20-106. Legal recognition for certain electronic records and electronic signatures in administrative proceedings. (1) This section applies only to contested case proceedings held pursuant to the Montana Administrative Procedure Act or a similar procedure held before a state agency in which rights are determined or duties are enforced on a case-by-case basis.

(2) If a rule of law requires a record to be written or in writing or provides for certain consequences if the record is not written or in writing, an electronic record satisfies that rule of law.

(3) If a rule of law requires a signature or provides for certain consequences if a record is not signed, an electronic signature satisfies that rule of law.

(4) If all parties to a transaction agree to the use of an electronic record or electronic signature, the electronic record or electronic signature may not be denied legal effect, validity, or enforceability solely on the grounds that it is electronic or on the grounds that it is not original.

(5) The trier of fact shall weigh the reliability of information in the form of an electronic record or electronic signature. In assessing the reliability of an electronic record or electronic signature when its authenticity is in issue, the trier of fact may consider:

(a) the manner in which it was generated, stored, or communicated;

(b) the reliability of the manner in which its integrity was maintained;

(c) the manner in which its originator was identified or the electronic record was signed; and

(d) any other relevant information or circumstances.

History: En. Sec. 6, Ch. 365, L. 1999.

2-20-107. Legal recognition for secured electronic records and secured electronic signatures in administrative proceedings. (1) This section applies only to contested case proceedings held pursuant to the Montana Administrative Procedure Act or a similar procedure held before a state agency in which rights are determined or duties are enforced on a case-by-case basis.

(2) If, through a qualified security procedure, it can be verified that an electronic record or electronic signature has not been altered since a specified point in time, the electronic record or electronic signature must be considered to be a secure electronic record or secure electronic signature from the specified point in time to the time of verification, if the relying party establishes that the qualified security procedure was:

(a) reasonable under the circumstances;

(b) applied by the relying party in a trustworthy manner; and

(c) reasonably in good faith relied upon by the relying party.

(3) In an administrative proceeding involving a secure electronic record, it must be rebuttably presumed that the electronic record has not been altered since the specific point in time to which the secure status relates.

(4) In an administrative proceeding involving a secure electronic signature, it must be rebuttably presumed that the secure electronic signature is the signature of the person to whom it correlates.

(5) The effect of the presumptions provided in this section is to place on the party challenging the integrity of a secure electronic record or challenging the genuineness of a secure electronic signature both the burden of going forward with evidence to rebut the presumption and the burden of persuading the trier of fact that the nonexistence of the presumed fact is more probable than its existence.

History: En. Sec. 7, Ch. 365, L. 1999.

2-20-108. Legal recognition for electronic contracts in administrative proceedings. (1) This section applies only to contested case proceedings held pursuant to the Montana Administrative Procedure Act or a similar procedure held before a state agency in which rights are determined or duties are enforced on a case-by-case basis.

(2) An electronic contract valid under the Uniform Commercial Code is valid under this part.

(3) In an administrative proceeding involving a contract signed by a secure electronic signature, it must be rebuttably presumed that the electronic contract has not been altered since the specific point in time to which the secure status relates.

(4) The effect of presumptions provided in this section is to place on the party challenging the integrity of a secure electronic contract both the burden of going forward with evidence to rebut the presumption and the burden of persuading the trier of fact that the nonexistence of the presumed fact is more probable than its existence.

(5) In administrative proceedings involving a contract signed by an electronic signature, the trier of fact shall weigh the reliability of information. In assessing the reliability of a contract when its authenticity is in issue, the trier of fact may consider:

(a) the manner in which it was generated, stored, or communicated;

(b) the reliability of the manner in which its integrity was maintained;

(c) the manner in which its originator was identified or the electronic contract was signed; and

(d) any other relevant information or circumstances.

History: En. Sec. 8, Ch. 365, L. 1999.

2-20-109. Secretary of state to register certification authorities and repositories — penalty. (1) A person may not act as a certification authority or repository without registering with the secretary of state as provided in this section.

(2) A person who acts as a certification authority or repository without being registered with the secretary of state as required by this section and rules adopted pursuant to this section is guilty of a misdemeanor and shall be punished as provided by law.

(3) A certification authority registered with the secretary of state pursuant to this section shall comply with all applicable requirements of Title 35.

(4) In addition to a filing fee that may be required by Title 35, the secretary of state shall charge and collect from each certification authority a license fee of $300 annually.

History: En. Sec. 9, Ch. 365, L. 1999.

2-20-110. Secretary of state to adopt rules for registration of certification authorities and repositories. (1) The secretary of state shall adopt rules concerning the registration of certification authorities and repositories.

(2) In adopting rules authorized by this section, the secretary of state shall provide maximum flexibility to the development of digital signature technology and the business models necessary to support it. The rules must maximize opportunities for uniformity with the rules or laws of other jurisdictions.

History: En. Sec. 10, Ch. 365, L. 1999.

2-20-111. Electronic records management. Electronic records must be preserved, protected, transferred, and disposed of in accordance with Title 2, chapter 6, part 2.

If the penalty imposed is incarceration, a fine, or both, the contempt is civil if the contemnor can end the incarceration or avoid the fine by complying with a court order and is criminal if the contemnor cannot end the incarceration or avoid the fine by complying with a court order. If the court's purpose in imposing the sanction is to attempt to compel the contemnor's performance of an act, the court shall impose the sanction under 3-1-520 and may not impose a sanction under 45-7-309.

1. To which he is a party, or in which he is interested.

2. When he is related to either party or any attorney or member of a firm of attorneys of record for a party by consanguinity or affinity within the third degree, computed according to the rules of law;

3. When he has been attorney or counsel in the action or proceeding for any party or when sitting in a case on appeal he as a judge in the lower court rendered or made the judgment, order, or decision appealed from.

3-1-804. Substitution of district judges.

SUBSTITUTION OF DISTRICT JUDGES

This section is limited in its application to district courts and judges presiding therein; it does not include district court judges or other judges sitting as a water court judge, nor a Workers' Compensation Court judge.

1. A motion for substitution of a district judge may be made by any party to a proceeding only in the manner set forth herein. In a civil or criminal case, each adverse party, including the state, is entitled to one substitution of a district judge.

(a) A motion for substitution of a district judge shall be made by filing a written motion with the clerk, as follows:

"The undersigned hereby moves for substitution of District Judge ______ in this case."

A copy of the motion shall be served upon all parties to the proceeding and the clerk shall immediately notify the judge and the first judge in jurisdiction, if there has already been a substitution. After a timely motion has been filed, the substituted judge shall have no power to act on the merits of the cause or to decide legal issues therein, and shall call in another judge. However, a resident district judge who has previously been substituted from the case may agree to set the calendar, draw a jury, conduct all routine matters including arraignments, preliminary pretrial conferences in civil cases, and other matters which do not go to the merits of the case, if the judge in jurisdiction authorizes the same.

(b) The first district judge who has been substituted or disqualified for cause shall have the duty of calling in all subsequent district judges. In a multi-judge court all other judges in that court shall be called, in accordance with that court's internal operating rules, before a judge from another district court is called in. It shall be the duty of the clerk of court to stamp the name of the judge to whom the case is assigned on the face of the initial pleading, complaint, order to show cause, or information, and all copies thereof.

(c) When a judge is assigned to a cause for 30 consecutive days after service of a summons, or 10 consecutive days after service of an order to show cause, information or other initiating document, and no motion for substitution of judge has been filed within said time period, the plaintiff or the party filing the order, information or other initiating document, and the party upon whom service has been made shall no longer have a right of substitution. Any party named in a summons who is subsequently served shall have 30 consecutive days after such service in which to move for a substitution of judge. Any person subsequently served in connection with an order to show cause, information or other initiating document, shall have 10 consecutive days after such service in which to move for a substitution of judge. If the presiding judge removes himself or herself, or a new judge assumes jurisdiction of the cause by virtue of the internal operating rules of a multi-judge court, the right to move for substitution of a judge is reinstated, unless having been previously used in the cause by the moving party, and the time periods shall run anew. After the time period shall have run as to the original parties to the proceeding, no party who is joined or intervenes thereafter shall have any right of substitution, except that one third party defendant who is not an original party in any pending case may have a right of one substitution within 30 consecutive days after the service upon the third party defendant of a third party complaint.

(d) The motion for substitution shall not be effective for any purpose unless a filing fee is paid to the clerk of the district court in the amount set by law. No filing fee is required by law in criminal cases.

(e) Any motion for substitution which is not timely filed is void for all purposes. The judge for whom substitution is sought shall have jurisdiction to determine timeliness, and if the motion for substitution is untimely, shall make an order declaring the motion void.

(f) When a new judge has accepted jurisdiction, the clerk of court shall mail a copy of the assumption of jurisdiction to the original judge and to each attorney or party of record. The certificate of service shall be attached to the assumption of jurisdiction form in the court file.

(g) When a new trial is ordered by the district court, each adverse party shall thereupon be entitled to one motion for substitution of judge in the manner provided herein. When on appeal the judgment or order appealed from is reversed or modified and the cause is remanded to the district court for a new trial, or when a summary judgment or judgment of dismissal is reversed and the cause remanded, each adverse party shall thereupon be entitled to one motion for substitution of judge in the manner provided herein. Such motion must be filed, with the required filing fee in civil cases, within twenty (20) days after a new trial has been ordered by the district court or after the remittitur from the Supreme Court has been filed with the district court. No other right of further substitution shall arise in cases remanded by the supreme court. In criminal cases, no further right of substitution shall arise when the cause is remanded for resentencing.

3-1-805. Disqualification for cause.

DISQUALIFICATION FOR CAUSE

This section is limited in its application to judges presiding in district courts, justice of the peace courts, municipal courts, small claims courts, and city courts.

1. Whenever a party to any proceeding in any court shall file an affidavit alleging facts showing personal bias or prejudice of the presiding judge, such judge shall proceed no further in the cause. If the affidavit is filed against a district judge, the matter shall be referred to the Montana Supreme Court. If the affidavit is in compliance with subsections (a), (b), and (c) below, the Chief Justice shall assign a district judge to hear the matter. If the affidavit is filed against a judge of a municipal court, justice court, or city court, any district judge presiding in the district of the court involved may appoint either a justice of the peace, a municipal judge or a city court judge, to hear any such proceeding.

(a) The affidavit for disqualification must be filed more than thirty (30) days before the date set for hearing or trial.

(b) The affidavit shall be accompanied by a certificate of counsel of record that the affidavit has been made in good faith. An affidavit will be deemed not to have been made in good faith if it is based solely on rulings in the case which can be addressed in an appeal from the final judgment.

(c) Any affidavit which is not in proper form and which does not allege facts showing personal bias or prejudice may be set aside as void.

(d) The judge appointed to preside at a disqualification proceeding may assess attorneys fees, costs and damages against any party or his attorney who files such disqualification without reasonable cause and thereby hinders, delays or takes unconscionable advantage of any other party, or the court.

(2) (a) The order of reference to the standing master may specify or limit the standing master's powers and may direct the standing master to present findings of fact and conclusions of law upon particular issues. Subject to the specifications and limitations stated in the order, the standing master shall regulate all proceedings in every hearing before the standing master and implement measures necessary for the efficient performance of the standing master's duties under the order.

(b) The standing master may:

The standing master shall proceed with all reasonable diligence. Either party, on notice to the parties and standing master, may apply to the court for an order requiring the standing master to speed the proceedings and to make the report. All contested proceedings before the standing master must be recorded. The standing master shall, at the expense of the district court, file a recording of the proceedings and of the evidence and the original exhibits. The cost of the preparation of a duplicate of the recording is the responsibility of the objecting party. The objecting party shall serve a copy of the duplicate recording on adverse parties at the objecting party's expense.

(2) Within 10 days after being served with notice of the filing of the findings and conclusions or order, any party may serve written specific objections upon the other parties or may apply to the court for an extension to serve. Application to the court for action upon the findings and conclusions or order and upon the filing of specific objections to the findings and conclusions or order must be by motion and upon notice as prescribed in Rule 6(d) of the Montana Rules of Civil Procedure. The court, after a hearing, may adopt the findings and conclusions or order and may modify, reject in whole or in part, receive further evidence, or recommit the findings and conclusions or order with instructions.

(3) The effect of a standing master's report is the same whether or not the parties have consented to the reference, but when the parties stipulate that a standing master's findings of fact are final, only questions of law arising upon the findings and conclusions may be considered.

3-5-401. Terms of court. (1) The district court of each county which is a judicial district by itself has no terms and must always be open for the transaction of business, except on legal holidays and nonjudicial days.

(2) (a) In each district where two or more counties are united, the judge thereof must fix the term of court in each county in his district and there must be at least four terms a year in each county. Any order of the judge of such district fixing terms of court shall be filed in the office of the clerk of the district court in each county of his district and shall remain in effect until further order of the judge.

(b) Nothing in this section shall be construed to prevent the calling of a special term of court, with or without a jury, when in the opinion of the presiding judge the same is necessary.

(c) The district judge may adjourn a term of district court in one county to a future day certain and in the meantime hold court in another county.

(2) In districts where two or more counties are united, court may be held, causes tried with or without a jury, and business transacted in any and all of the counties of the district continuously and simultaneously, with or without recesses, and without regard to the beginning or ending of any of the terms in any of the counties of the district.

(3) The judge of such district may hold court in one county of such district, try causes with or without a jury, and transact business, while at the same time court may be held, causes tried with or without a jury, and business transacted in any other county of such district by the same judge or by any other district judge of the state, when requested or assigned thereto under any of the provisions of the statutes of Montana.

Each department must be numbered, and each judge must be assigned to one of the numbered departments.

(3) The judges shall apportion the business of the court among themselves as equally as possible. In case of their failure for any cause to make the apportionment or to assign each judge to a numbered department, the supreme court, upon application of any interested person, shall make an order apportioning the business and assigning each judge to a numbered department and cause the order to be entered upon the minute book of the district court in each county in the district. The order remains in full force and effect until modified or repealed by the authority making it. The failure or refusal of any district judge to carry out the terms of the order constitutes a contempt of the supreme court.

(2) A record of the drawing must be entered in the minutes of the court. It must show the names of the jurors corresponding to the numbers drawn from the jury box or the names drawn by means of the computerized random selection process.

The relative deviation may be exceeded only when necessary to keep political subdivisions intact or to comply with the Voting Rights Act.

(b) District boundaries must coincide with the boundaries of political subdivisions of the state to the greatest extent possible. The number of counties and cities divided among more than one district must be as small as possible. When there is a choice between dividing local political subdivisions, the more populous subdivisions must be divided before the less populous, unless the boundary is drawn along a county line that passes through a city.

(c) The districts must be contiguous, meaning that the district must be in one piece. Areas that meet only at points of adjoining corners or areas separated by geographical boundaries or artificial barriers that prevent transportation within a district may not be considered contiguous.

(d) The districts must be compact, meaning that the compactness of a district is greatest when the length of the district and the width of a district are equal. A district may not have an average length greater than three times the average width unless necessary to comply with the Voting Rights Act.

(3) A district may not be drawn for the purposes of favoring a political party or an incumbent legislator or member of congress. The following data or information may not be considered in the development of a plan:

(a) addresses of incumbent legislators or members of congress;

(b) political affiliations of registered voters;

5-2-402. Appointment by board of county commissioners — county central committee role — timeframes. (1) Except as provided in subsection (5) or as otherwise provided by law, whenever a vacancy occurs in the legislature, the vacancy must be filled by appointment by the board of county commissioners or, in the event of a multicounty district, the boards of county commissioners of the counties comprising the district sitting as one appointing board.

(2) (a) Whenever a vacancy is within a single county, the board of county commissioners shall make the appointment as described in 5-2-403, 5-2-404, or 5-2-406.

(b) Whenever a vacancy is within a multicounty district, the boards of county commissioners shall sit as one appointing board. The selection of an individual to fill the vacancy must be as follows:

(i) The presiding officer of the board of county commissioners of the county in which the person resided whose vacancy is to be filled shall call a meeting for the purpose of appointing the member of the legislature and shall preside at the meeting.

(ii) Each commissioner's vote is determined by the following formula: 100 multiplied by (A divided by B) multiplied by (1 divided by C), where:

(A) A is the total votes cast in the respective county for the person vacating the legislative seat or, if the vacating person was not elected, the votes cast for the last person to be elected for the current term;

(B) B is the total votes cast for that person in the legislative district; and

(C) C is the number of authorized commissioners on the board of the commissioner whose vote is being determined.

(iii) The person selected to fill the vacancy is the one who receives the highest number above 50 that results from the calculation in subsection (2)(b)(ii). If none of the candidates receives a number higher than 50 from that calculation, the selection board shall cast its votes again in the same manner for the persons receiving the two highest numbers. If neither vote results in a candidate receiving a number higher than 50 from the calculation provided in subsection (2)(b)(ii), then 5-2-404 applies.

(c) If a vacancy occurs in a holdover senate seat after holdover senators have been assigned to new districts under each reapportionment, the formula in subsection (2)(b)(ii) must be applied using the votes cast for the senatorial candidates at the last election in which votes were cast for a senate candidate. Only the number of votes cast by electors residing in the new senate district for senate candidates of the party to which the person vacating the seat belonged may be counted. The secretary of state shall provide an estimate of the number of votes cast for each party by county or portion of a county. The selection process is the same as provided in subsection (2)(b)(iii).

(3) The appointment process to fill a vacant legislative seat under this section is as follows:

(a) Within 7 days of being notified of a vacancy as described in 2-16-501, the secretary of state shall notify the board of county commissioners and the county central committee of the county where the vacating legislator is a resident, if the legislative seat is within one county, or the boards of county commissioners and the corresponding county central committees if the legislative seat is in a multicounty district. If the legislator is an independent or belongs to a party for which there is no county central committee, the notification of county commissioners suffices.

(b) The county central committee or committees, upon receipt of notification of a vacancy, have 45 days to propose a list of prospective appointees, pursuant to 5-2-403(1). The county central committee or the county central committees, acting together, shall forward the list of names to the appointing board within the 45-day period.

(c) The appointing board shall make and confirm an appointment and notify the secretary of state within 15 days:

(i) after receiving the list of prospective appointees from the county central committee or committees;

(ii) after 45 days have expired after the notification of vacancy if the county central committee or committees have not provided a list of prospective appointees; or

(iii) after notification of a vacancy if the legislator vacating the seat is an independent.

(4) If the legislature is in session, the notification process in subsection (3)(a) must be followed within 5 days. The process described in subsection (3)(b) must take place in 5 days. The process described in subsection (3)(c) must take place in 5 days.

(5) Notwithstanding subsection (6), if a vacancy occurs prior to a primary election, 13-10-326 applies. If a vacancy occurs after a primary and prior to a general election, 13-10-327 applies.

(6) If the legislature is called into special session within 85 days of a general election, a person must be appointed to fill a legislative vacancy pursuant to subsections (1) through (4).

The delivery is as effectual as though returned in open session if the governor, on the first day the house is again in session, by message, notifies it of the delivery and of the time when and the person to whom the delivery was made.

(2) If the legislature is not in session when the governor vetoes a bill, he shall return the bill with his reasons for the veto to the secretary of state. If the bill was not approved by two-thirds of the members voting on the final vote on the bill, the secretary of state shall within 5 working days of receipt of the bill and veto message mail a copy of the title of the bill and the veto message to each member of the legislature. If the bill was approved by two-thirds of the members voting on the final vote on the bill, the secretary of state shall poll the members of the legislature. The secretary of state shall within 5 working days of receipt of the bill and veto message send by certified mail to each legislator, at an address provided by the legislator, a copy of the bill and the veto message, instructions for casting a vote, and notice of the date by which each legislator shall return his vote. The date for return must be within 30 days after the date on which the bill, veto message, and voting instructions are sent. It is the intent of this chapter that

each agency of state government be audited for the purpose of furnishing the legislature with factual information vital to the discharge of its legislative duties.
